Passionate Buddha Wisdom On Intimacy And Enduring Love:

The Passionate Buddha Robert Sachs,2002-07-01 Discusses the Buddhist meaning of true love and how to attain it in the modern world Interweaves Tantric Buddhist teachings with modern concerns such as monogamy and contraception Gives a holistic view of a healthy relationship from physical pleasure to emotional connections and spiritual transformation Discusses love in the broader Buddhist concepts of karma and reincarnation Beginning his book with the ringing question what are you waiting for Robert Sachs goes on to interweave traditional Buddhist thought with the concerns of the modern couple Using clear playful language Sachs describes the different aspects of healthy relationships within a Buddhist context However rather than just setting an ideal he clarifies how Buddhist practices not only can be integrated into a modern lifestyle but also can be powerful tools for the many changes that occur in any loving relationship Sachs also considers the role of each individual in a relationship showing that a couple may develop or possess qualities of being an indivisible unit but that where the real work lies is when two people are committed to grow and change with one another He offers techniques for finding oneself both in and out of a relationship and ideas on how to deal with anger and other emotions that arise in the course of life emotions that occur most intensely over the course of an intimate relationship *The Passionate Buddha* acts as a guide for all of those fumbling toward ecstasy in today s confusing world of relationships *The Passionate Buddha* Robert Sachs,2002-07 Robert Sachs interweaves traditional Buddhist thought with the concerns of the modern couple He clarifies how Buddhist practices not only can be integrated into a modern lifestyle but also can be powerful tools for the many changes that occur in any loving relationship

Becoming Buddha Robert Sachs,2012-01-01 To Become Buddha is to AWAKE We need to awake to our personal responsibility not only for our own lives but for the world around us Individual efforts can change the world This book does not promise enlightenment but it will provide a path a path that if you follow it will transform your life Buddhist masters say that we are in a Dark Age Terrorist attacks wars economic failures and natural disasters have created an atmosphere of fear Tibetan masters encourage us not to lose heart catastrophes have happened before and we have overcome them Robert Sachs shows how Tibetan Buddhist teachings can have a real influence on our personal lived and equally on contemporary politics He presents the four thoughts that revolutionize the mind and demonstrates how we must take personal responsibility for the future The Four Noble Truths show us there is no need to despair and the four components of action will change our attitude to life and give us practical instruction on how to act Using the power of meditation to make a difference we can turn the inherent goodness of the human race into positive energy to help transform the world The Venerable Chogyam Trungpa Rinpoche used to say A mind that is transformed free and cheerful can help create peace and happiness Let us start down the path from this very moment *The Wisdom of the Buddhist Masters* Robert Sachs,2012-01-01 What does Buddhism have to say about sickness poverty and warfare or social and political action Would the wisest most renowned Buddhist teachers go on the record and reveal their thoughts and

perspectives on a wide array of contemporary issues Robert Sachs decided to find out he created a questionnaire brought it to some of the most esteemed Buddhist masters and interviewed them Their comments and conclusions are inspirational and often surprising Here are the observations of deeply spiritual thinkers on the global problems that confront us today from the conflict in the Middle East to global warming These are people who are steeped in meditation widely traveled and have seen human misery and warfare with their own eyes They offer empowering words of wisdom and show us how we can become part of the impetus for change and make a real difference Most important these teachers go beyond religious platitudes and refuse to shy away from politically incorrect conclusions or ideas contrary to the pacifism so often associated with Buddhism Includes a foreword by His Holiness The Dalai Lama taken from his Nobel Peace Prize Speech The Buddhist Masters interviewed are H H Kunzig Shamar Rinpoche Ven Tarthang Tulku Rinpoche Geshe Tenzin Wangyal Rinpoche Geshe Michael Roach Ajahn Amaro Roshi Joan Halifax Ven Thubten Chodron Christopher Titmuss Tenzin Robert Thurman The Crazy Wisdom of Ganesh Baba Eve Baumohl Neuhaus,2010-04-26 Ganesh Baba 1895 1987 knew Lahiri Mahasaya became a swami under Sivananda and was the head of a sect whose followers consider entheogens to be the gift of the gods This book contains the core of Ganesh Baba s teachings **The Path of Civility** Robert Michael Sachs,2020-08-28 What does President George Washington have in common with the Buddha Sakyamuni Author and teacher Robert Sachs brings together the lessons and teachings of these two great men one an exemplary political figure the other the founder of one of the world s great wisdom traditions The result is a guidebook to study carry with you and apply to cultivate healthy intelligent and communication and action inspired by and rooted in civility **A Flight of Delight** Jyotikar K PATTNI,2006-05-01 A Flight of Delight is a work of experiential philosophical text that contemplates the nature of such subtle topics as Karmic evolution Divine Cosmic Truth and the relationship between Divinity and Humankind Utilising an expressive narrative approach that places emphasis on description and aesthetics finely the author has endeavoured to render a thought provoking analysis in a prose poetic style The fine text touches the core concepts of theology that look at life as a freely flowing channel of energies in profound human experiences One of the central ideas of the work is the difference between institutional religion and experiential philosophy with the conceptual emphasis leaning toward the latter Fear destroys true faith Institutional religion is constrictive that remains fixated on rules systems and political bureaucracies A profound human spiritualism on the other hand suggests a cyclical direction of energy that flows without fear suppression oppression exploitation manipulation and falsity Realising and understanding compassion and love is much more important and significant than following set of doctrines in conflict This is attainable in spiritual evolution a self discovery in profound experiences without the confines of specific creed cast or race The discourse includes detailed explorations of different types of Vedic yoga s mantras and consciousness The emphasis placed on the pursuit of divine wisdom and divinity incorporates all of these elements to form a comprehensive insight of profound experience for the inner well ness and peace The reader of A Flight of Delight may also

benefit from the organised structure afforded to the text The detailed explanation of the experiential theories familiarises the reader with carefully distilled notions of spiritualism and divinity Here is an extra ordinary work of self healing texts from a very special person who has journeyed through adversities himself The lyrics of this book are particularly special because the author writes from the depth of his heart to express in the profoundest sense the relevance of the ancient Vedic Wisdom to the hectic modern world The mind enriching lyrics bring to us a re awakening of beautiful divinity filled with solace hope and compassionate love Life oh life Let it be a flight of delight

The Complete Yoga of Emotional-Sexual Life Avatar Adi Da Samraj,2008-10-16 The core practices of the emotionally and sexually balanced teachings on love intimacy and sexual relationships from the Realized Master Avatar Adi Da Samraj Teaches how to overcome the emotional patterning that hinders healthy sexual relationships Presents a solitary yogic discipline to restore the bipolar integrity of the individual Shows how to entirely transcend emotional sexual patterns In all the domains of human life we now understand the need for an integration of body mind and spirit But despite this comprehension of the holistic nature of existence much of the teaching offered on sexuality even sacred sexuality concentrates on the physical practice to the detriment of emotional intimacy Avatar Adi Da Samraj explains that our emotional sexual life can only be made right through the process of restoring the bipolar balance of the body and by transcending the ego the illusory sense of separate existence He advocates that sexual practice initially become a solitary yogic discipline an embracing and reclaiming of one s own body to restore the bipolar integrity that is at the core of every human being Once this bipolar integrity is established he shows how a sexual practice of true intimacy free of clinging attachment is possible He also teaches that an unconscious early childhood reaction to the mother and father governs the emotional sexual life a reaction that must be understood and transcended The emotional sexual practices taught by Avatar Adi Da are centered in the understanding that love breaks the heart and show that learning how to have intimacy without ego based attachment is where profound practice begins
