The Afronillennial Vision Bakam, 2021-07-19 This is a thematic collection of sincere thoughts and opinions born out of deep convictions unique experiences and interesting observations from the author's childhood to youth and experiences of others Experiences at home in school on the street with friends from books etc Essentially the book is presented light heartedly in a conversational narrative and contemplative parlance Once in a while the temptation to use some technical jargons for connotation presents itself and it is helplessly used in a casual but generally vivid language The book is intended to be a documentation a life shaped by a unique setting of time and place highlighting valuable deductions for the reader to consider even as the author makes attempt to step aside to critically view details of his life along the spectrum of time with a childlike curiosity but an adult's thoroughness

[With Plates, Including Portraits, and Facsimiles.] Walter Scott,1838 Poetical Works Walter Scott,1908 Blood Passion Scott Martelle,2008 On April 20 1914 in the small railroad town of Ludlow Colorado striking coalminers and state National Guardsmen waged a day long battle that ended with the burning of a strikers tent colony The Ludlow Massacre as it is known was only part of a seven month war in which at least seventy five people were killed In Blood Passion journalist Scott Martelle explores this largely forgotten American saga of coalminers rising against political and economic corruption a fight that embraced some of the most volatile social movements of the early twentieth century Cover Sydney's Passion Susie Wright,2022-06-10 At one of Kentucky s most sought after tracks for equestrian racers is a new rider that is taking the track by storm Young teen Chase Payne has taken multiple wins and isn t showing any signs of backing down But something proves to be quite different with him Could an unexpected accident change his life faith and the racing world forever **Caught in a Storm of Passion** Lucy Ryder,2016-04-01 A near death experience on a sea plane with a brute of a pilot forces a doctor to chart a new course in this sexy romance Dr Evelyn Carmichael s plan 1 Travel to the South Pacific and stop her sister from marrying the wrong man 2 Leave as quickly as possible and refocus on her career 3 Avoid all men along the way they re nothing but trouble But things take an unexpected turn when Eve finds herself trapped with sexy pilot Chase Gallagher One look is enough to tempt Eve to throw her plan out the window and indulge in a sinfully hot fling in paradise **The Trouble with Passion** Erin Cech,2021-11-09 Probing the ominous side of career advice to follow your passion this data driven study explains how the passion principle fails us and perpetuates inequality by class gender and race and it suggests how we can reconfigure our relationships to paid work Follow your passion is a popular mantra for career decision making in the United States Passion seeking seems like a promising path for avoiding the potential drudgery of a life of paid work but this passion principle seductive as it is does not universally translate The Trouble with Passion reveals the significant downside of the passion principle the concept helps culturally legitimize and reproduce an exploited overworked white collar labor force and broadly serves to reinforce class race and gender segregation and inequality Grounding her investigation in the paradoxical tensions between capitalism s demand for ideal workers and our cultural expectations for self expression sociologist Erin A Cech draws on interviews that follow students from college into the workforce surveys of US workers and experimental data to explain why the passion principle is such an attractive if deceptive career decision making mantra particularly for the college educated Passion seeking presumes middle class safety nets and springboards and penalizes first generation and working class young adults who seek passion without them The ripple effects of this mantra undermine the promise of college as a tool for social and economic mobility The passion principle

also feeds into a culture of overwork encouraging white collar workers to tolerate precarious employment and gladly sacrifice time money and leisure for work they are passionate about And potential employers covet but won t compensate passion among job applicants This book asks What does it take to center passion in career decisions Who gets ahead and who gets left behind by passion seeking The Trouble with Passion calls for citizens educators college administrators and industry leaders to reconsider how we think about good jobs and by extension good lives Moll Cutpurse; or, Cromwell and the cavalier.
