**"A Dream of Stone"** Michael D. Garval, 2004 With democratization of fame in the wake of the French Revolution writers enjoyed ever greater celebrity status But in nineteenth century France the availability and perceived impermanence of such renown cheapened it and prompted longing for enduring fame exemplified by monuments commemorative sculptural or architectural works helping a nation in flux define itself its past and anticipated future Within this cultural climate there evolved an ideal of great writers and their work as immortal that envisioned literary greatness through the metaphor of monuments and monumentality study draws upon wide ranging evidence from journalism to poetry caricature to statuary Focusing on the lives work and fame of Honore de Balzac George Sand and Victor Hugo it uncovers the salient features and traces the rise and fall of this monumentalizing vision of literary greatness largely forgotten today yet so central to nineteenth century French culture North Carolina State University

**An American Passion** Len Blanchard, 2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse's story is related by five different narrators

An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The next major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in An American Passion Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of An American Passion is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him An American Passion is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people
