Passive Sentences In English And Portuguese:

Passive Sentences in English and Portuguese Milton Mariano Azevedo,1980 This study analyzes passive sentences in English and Portuguese which result from a post semantic transformation applied when a noun which does not play the semantic role of actor is chosen as syntactic subject Choice between a passive and its non passive or active counterpart reflects differences in the distribution of information in the sentence as regards the relative importance of the latter s constituents for communication Such distribution is analyzed in terms of Prague school theory especially that involving the notions of communicative dynamism and the distribution of theme and rheme The book concludes with a contrastive analysis of English and Portuguese passive sentence patterns which serves as the basis for observations on the teaching of Portuguese passives to native speakers of English

Using Portuguese Ana Sofia Ganho, Timothy McGovern, 2004-03-18 This is a guide to Portuguese usage for students who have already acquired the basics of the language and wish to extend their knowledge. It covers both the Brazilian and the European varieties of the language and differentiates clearly between them. It gives detailed explanations of grammatical structures and semantic fields and unlike conventional grammars it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers. It also contains a special chapter for students who are familiar with Spanish highlighting key similarities and differences between the two languages. Careful consideration is given throughout to questions of style, register and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech. Clear, readable and easy to consult via its two indexes, this is an essential reference for learners seeking access to the finer nuances of the Portuguese language.

Language Acquisition, Processing and Bilingualism Anna Cardinaletti, Chiara Branchini, Giuliana Giusti, Francesca Volpato, 2020-07-16 Bringing together selected papers from the conference The Romance Turn VII held in Venice in October 2015, this volume focuses on a broad range of topics at the heart of the current debate on language acquisition, including clitic pronouns, left dislocations, passives, relative clauses and wh questions. It explores these topics within a range of different acquisition settings such as L1 and L2 acquisition, bilingualism, typical and atypical development. In addition to syntax, the volume covers other modules of grammar, namely semantics, pragmatics and phonology, and adds a perspective on language processing to current discussions on the acquisition of Romance languages. This book also includes contributions on atypical language acquisition in cases of deafness and on language intervention based on formal linguistics. It will appeal not only to scholars and students interested in the nature and processes behind first, second and bilingual language acquisition and impaired language acquisition, but also to language educators and clinicians.

Portuguese Sheila R. Ackerlind, Rebecca Jones-Kellogg, 2012-04-05 An essential comprehensive guide for all who are interested in learning the Portuguese language and mastering its complexities. *Portuguese: A Reference Manual* supplements the phonetic and grammatical explanations offered in basic textbooks. While the Manual focuses on Brazilian Portuguese, it incorporates European Portuguese variants and thus provides a more complete description of the language. Accessible to non-linguists and novice language learners as well as informative for instructors of Portuguese and specialists in other languages, this guide incorporates the Orthographic Accord in effect since 2009/2010, which attempts to standardize Portuguese orthography. The Manual reflects the language as it is currently taught at both the undergraduate and graduate levels by providing detailed

explanations of the sound and writing systems and the grammar of the principal Portuguese dialects A reference guide rather than a textbook the Manual also provides extensive verb charts as well as comparisons of Portuguese with English and Spanish

Language and the Law Monwabisi K. Ralarala, Russell H. Kaschula, Georgina Heydon, 2022-06-14 Language and the Law Global Perspectives in Forensic Linguistics from Africa and beyond is the third volume in a series of books designed to contribute and respond to growing interest in forensic linguistics or language and the law on the African continent Drawing mostly on contexts where traditional African laws and Western laws are practised side by side and where there are discontinuities between local knowledge systems belief systems and language practices on the one hand and official languages of law discourse conceptualisation and jurisprudence documentation on the other the chapters in this volume problematise among other issues the mediation practices or lack thereof of language and legal processes discourse strategies and complexities in misinterpretations in second language court contexts and the miscarriage of justice that these may entail

The Top Books of the Year Passive Sentences In English And Portuguese The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Passive Sentences In English And Portuguese : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
