NIKROVA'S PASSION Beth Henderson, 2020-01-30 Anne Larkin was in London to soak up atmosphere The trouble was the wrong atmosphere could get a girl killed It was just a post graduation trip to England to wallow in museums and see the sites Or it was until Anne Larkin landed in the wrong place at the right time and was mistaken by one man to be a thief's cohort and by the thief to be a police plant And both men decided that romancing her was the way to keep his nemesis from the reportedly cursed and very valuable alexandrite stone known as Nikrova's Passion Set in 1989 NIKROVA'S PASSION is a fast paced romp with danger deception romance and love Originally published in 1990 the current edition has undergone a bit of tinkering by the author Just stylistic changes Fear not Barely 5% of the tale shifted wording No part of the original story sustained injury in the process Bursting with energy Kirkus Reviews 1990 plausible suspects and red herrings adroitly keeping her clincher for the end Booklist 1990

The Passion Patrick Keddie, 2018-03-30 In 1981 a young semi professional footballer known as Imam Beckenbauer for his piety and his dominant style of play has his career cut short after a confrontation with Turkey's military junta His name was Recep Tayyip Erdogan and three decades later he is Turkey's most powerful ruler since Ataturk Turkey is a nation obsessed with football From the flares which cover the stadium with multi coloured smoke and often bring play to a halt to the conductors ultras who lead the walls of sound at matches Turkish football has always been an awesome spectacle And yet in this politically fraught country caught between the Middle East and the West football has also always been so much more From the fan groups resisting the government in the streets and stands to ambitious politicians embroiling clubs in Machiavellian shenanigans football in Turkey is a site of power anger and resistance Journalist and football obsessive Patrick Keddie takes us on a wild journey through Turkey's role in the world's most popular game He travels from the streets of Istanbul where fans dodge tear gas and water cannons to the plains of Anatolia where women are fighting for their rights to wear shorts and play sports He meets a gay referee facing death threats Syrian footballers trying to piece together their shattered dreams and Kurdish teams struggling to play football amid war The Passion also tells the story of the biggest match fixing scandal in European football and sketches its murky connections to the country's leadership In doing so he lifts the lid on a rarely glimpsed side of modern Turkey Funny touching and beautifully observed this is the story of Turkey as we have never seen it before

hours long extended family feasts Thus from a very early age Esposito came to associate wine with the warmth of family the tastes of his mother s cooking and above all memories of his former life in Italy When he was in his twenties he headed for New York and undertook a career in wine beginning a journey that would culminate in his founding of Italian Wine Merchants now the leading Italian wine source in America His career offered him the opportunity to make frequent trips back to Italy to find wine for his clients to learn the traditions of Italian winemaking and in so doing to rediscover the Italian way of life he d left behind Passion on the Vine is Esposito s intimate and evocative memoir of his colorful family life in Italy his abrupt transition to life in America and of his travels into the heart of Italy its wine country and the lives of those who inhabit it The result is a remarkably engaging and entertaining wine travel narrative replete with vivid portraits of seductive places the world famous cellars of Piedmont the sweeping estates of Tuscany the lush fields of Campania the chilly hills of Friuli the windy beaches of Le Marche and of memorable people diverse and vibrant wine artisans from a disco dancing vintner who bases his farming on the rhythm of the moon to an obsessive prince who destroys his vineyards before his death so that his grapes will never be used incorrectly Esposito s luscious accounts of the wonderful food and wine that are so much a part of Italian life and his poignant and often hilarious stories of his relationships with his family and Italian friends make Passion on the Vine an utterly unique and enchanting work about Italy and its eternally seductive lifestyle *Grand Passion; Absolutely, Positively* Jayne Ann Krentz,2007-04
