The past is another country Martin Meredith, 1980 **The Myth of Smith** Douglas Schorr, 2015-07-08 Offered an opportunity to join a Rhodesian death squad dealing in germ warfare and other nasties and faced with the torture and murder of his close staff Douglas Schorr resigned from the Ministry of Internal Affairs a refugee of a brutal war at the age of 28 Today 30 years later he has sat down to write out the tale of his involvement in that war told from the experience of another lifetime s worth of living and learning The Myth of Smith pierces the dark heart of Zimbabwe s Bush War and offers an alternate telling of that tale It is an autobiography with a mission to explode the fable of the Breadbasket of Africa just as surely as a landmine beneath a Land Rover and to send shrapnel from that explosion hurtling into the past present and future I am a white man bred under the African sun I am a white man who fought for Smith I fought for a dream my dream couched in his dream of a thousand years of white rule a dream many many of us Rhodesians shared Today I am sitting down to write a book about that dream principally about how that dream never was Historical

Dictionary of Rhodesia/Zimbabwe R. Kent Rasmussen, 1979 **From Rhodesia to Zimbabwe** W.H.

Morris-Jones, 2013-12-19 First published in 1980 The aim of this collection of articles is to furnish information and perspective on the main economic and political elements present in the making of Zimbabwe Although the articles were

prepared before the conclusion of the Lancaster House negotiations they discuss matters which must be central to the future of this important newly independent state of Southern Africa Lest We Forget from Rhodesia to Zimbabwe Francis Chikerema,2018-01-13 The partition of Africa was an invasion of the continent of Africa by European nations including the United Kingdom of Great Britain and Northern Ireland Yes the United Kingdom wanted to rule the whole world and it nearly did as can be seen on the globe on how many countries were under the British Empire This was done to enrich the United Kingdom with no regard to whoever found them in those regions of the world This was done without the consultation of the Africans who occupied the land As to the African continent this was the occupation of our land by the British and its division into their colonies The British people of the United Kingdom were ahead of many countries in this act William Gladstone the prime minister of the United Kingdom was given the power to sign a peace treaty The peace treaty with whom The Africans were never in agreement with whatever came out of the so called Berlin Conference of the 1884-1885 Africans were not considered or allowed to have their views heard or have an input as to what was being decided to happen in their motherland Africa This treaty was done in Germany since it had emerged as an imperial power under chancellor Otto von Bismarck It was formalized and agreed upon that the scramble for Africa should go ahead without the consultation of the African people who owned and lived in Africa All African autonomy was eliminated and overridden so to speak Through devious means Africa was stolen and possessed and its people were enslaved and reduced to the untold indignity by the foreign powers
