present in positive ways and ultimately create a better future Past Lives for Beginners is a detailed and approachable introduction to understanding reincarnation and how it impacts your present life Using fascinating case studies author Douglas De Long describes different types of past life recall experiences and shares his favored techniques to gain access to those memories including meditations and visualizations This guide provides a wealth of exercises and resources for understanding past lives allowing you to explore spiritual growth and your own immortality Connect with spirit guides and religious figures Learn to forgive past life transgressions Discover future lives and how to work toward smooth life transitions Enhance your psychic and spiritual gifts with hands on techniques The 2012 Collection Daniel Pinchbeck, 2012-02-21 Now in the years beyond 2012 discover the true meaning behind the hype that captivated the world It should be no surprise to us now but the pomp surrounding the coming of the year 2012 that grasped the human race s attention in those preceding years was not at all about the end of the world Instead much to the contrary Daniel Pinchbeck believes that the passing of the year 2012 marked the beginning of a global shift in consciousness where the human race would begin to see the world and existence on this planet through a different lens embracing fresh ideas about who we are and what it means to be human Discover the true wisdom behind the 2012 phenomenon with these two captivating works by one of the leading minds in the movement both in one place for the first time and at one low price 2012 The Return of Quetzalcoatl Cross James Merrill H P Lovecraft and Carlos Castaneda each imbued with a twenty first century aptitude for quantum theory and existential psychology and you get the voice of Daniel Pinchbeck And yet nothing quite prepares us for the lucidity rationale and informed audacity of this seeker skeptic and cartographer of hidden realms Throughout the 1990s Pinchbeck had been a member of New York s literary select He wrote for publications such as The New York Times Magazine Esquire and Harper s Bazaar His first book Breaking Open the Head was heralded as the most significant on psychedelic experimentation since the work of Terence McKenna But slowly something happened Rather than writing from a journalistic remove Pinchbeck his literary powers at their peak began to participate in the shamanic and metaphysical belief systems he was encountering As his psyche and body opened to new experience disparate threads and occurrences made sense like never before Humanity every sign pointed is precariously balanced between greater self potential and environmental disaster The Mayan calendar s end date of 2012 seems to define our present age It heralds the end of one way of existence and the return of another in which the serpent god Quetzalcoatl reigns anew bringing with him an unimaginably ancient yet to us wholly new way of living A result not just of study but also of participation 2012 tells the tale of a single man in whose trials we ultimately recognize our own hopes and anxieties about modern life Toward 2012 Perspectives on the Next Age An informed challenging and engaging collection of essays on the new choices in lifestyles and community as we begin the countdown toward the year 2012 This fresh and thought provoking anthology draws together some of today s most celebrated visionaries thinkers and pioneers in the field of evolving consciousness exploring topics from shamanism to urban

homesteading the legacy of Carlos Castaneda to Mayan predictions for the year 2012 and new paths in direct political action and human sexuality Toward 2012 highlights some of the most challenging intelligent pieces published on the acclaimed website Reality Sandwich It is coedited by Daniel Pinchbeck the preeminent voice on 2012 and online pioneer Ken Jordan and features original works from Stanislav Grof John Major Jenkins and Paul D Miller DJ Spooky interviews with Abbie Hoffman and artist Alex Grey and a new introduction by Pinchbeck Here are ideas that trace the arc of our evolution in consciousness lifestyles and communities as we draw closer to a moment in time that portends ways of living that are different from anything we have expected or experienced

Framework of Reality: Understanding Our Subtle Spiritual Nature

Douglas Kinney, 2014-06-06 Framework of Reality highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to Frontiers of Knowledge which is a large research book with all the details and all the references Framework provides all the same information in a summary form It can be considered the Cliffs Notes for Frontiers of Knowledge Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge

The Great Cosmic Sea of Reality

Timothy Fulton Johns, 2018-03-06 In this book I will attempt to explain very difficult concepts that do in fact have the foundation of scientific studies over several decades The paper will explain how the work of several scientists have put different pieces of the puzzle in place but presumably none of them individually was able to see the bigger picture their piece of the puzzle reveals This book will explain how the evolution of our planet and its biosphere which has been well established is linked and actively evolving with our cosmos through a complex network of powerful morphic fields at all scales The Earth like the nucleus of an atom exists within the cosmos both at different scales however both are seemingly adrift in an abyss of

the cosmic sea under its control and both are a very small part of a much larger evolutionary process of our reality yet in constant motion I will share intuitive ideas or theories that I believe best explain the known facts proven by scientific evidence of the nature of the fabric of our cosmic sea in which we coexist with one another and other worlds both terrestrial and extraterrestrial

The History of the Occult Tarot Ronald Decker, Michael Dummett, 2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to

that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot s history describes the many fascinating decks imagined over time as well as the secret histories of mystics

Reincarnation Paul Roland,2021-06-01 In this fascinating book Paul Roland delves into the fascinating mysteries of reincarnation The idea of rebirth is at the heart of many religions and philosophies and discovering the truths about our past lives can help us understand who we are today Here you will find an array of captivating stories of people who have remembered their previous lives ranging from children able to identify long dead relatives to sisters who could remember how they died to a man who vividly remembers his time as a Confederate colonel in the American Civil War *Reincarnation* also includes Exercises to help you uncover your past lives Instructions to identify symptoms of past life traumas Exclusive interviews with Carol Bowman and Lee Everett two of America s foremost regression therapists

Reincarnation Beliefs Wynn Umbra,AI,2025-02-14 *Reincarnation Beliefs* explores the captivating topic of reincarnation a concept deeply embedded in religion and spirituality across cultures It examines how major religions like Hinduism and Buddhism view rebirth as central to spiritual practices and ethical behavior The book also delves into intriguing past life experiences often reported by children where individuals claim memories of previous existences The book takes a balanced approach investigating religious doctrines experiential accounts and scientific research related to reincarnation It critically analyzes documented cases of past life memories considering both the evidence and potential explanations for these phenomena Scientific investigations using empirical methods explore the possibility of biological mechanisms related to consciousness and identity Beginning with historical context and religious perspectives the book progresses to examine past life memory case studies and scientific research The aim is to provide an informed understanding of reincarnation inviting readers to engage with diverse evidence and form their own conclusions about this enduring mystery

The Everything Guide to Evidence of the Afterlife Joseph M Higgins,Chuck Bergman,2011-01-18 Find out the truth about the other side Is there life after death Or is the end of our physical existence really the end of us In this thought provoking guide you will examine scientific evidence so you can decide for yourself whether or not there is an afterlife Medium Joseph M Higgins and Psychic Cop Chuck Bergman attempt to answer questions like Does consciousness survive death Is communication possible between the living and the dead Are mediums real or frauds What happens to us during near death experiences Where do we go when we die Are we heaven and hell actualities What is life like after death Is reincarnation real and is everyone reincarnated Including an overview of various religious afterlife traditions *The Everything Guide to Evidence of the Afterlife* introduces you to the unlimited

possibilities of what we face after our release from the physical world *Exploring the Eternal Soul - Insights from the Life Between Lives* Andy Tomlinson, 2012-03 Follow the fascinating journey of a group of ordinary people who have been regressed through a past life and into the life between lives And discover amazing insights that answer a host of universal questions of spiritual historical and philosophical importance **Signs of Reincarnation** James G. Matlock, 2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records anthropological studies and contemporary research Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain it does not require the acceptance of any radically new concepts or the abandonment of well established findings in mainstream psychology or biology This book offers students scholars and anyone interested in the possibility of reincarnation an essential grounding in beliefs cases and theory while opening doors for future research into the extension of consciousness beyond our present lives **Healing the Present from the Past** Heather S. Friedman Rivera, 2012-12 It is important to document the validity of past life regression therapy Heather Rivera s research has made an important contribution to this field and I applaud her work Brian L Weiss M D author of Many Lives Many Masters Dr Heather Rivera has written a much needed book for those interested in past life therapy or those practicing it Her fine book is based on quantified research rather than strictly case studies The reader will benefit in many ways perhaps life changing ways from this excellent book Edith Fiore Ph D Retired Psychologist Author of You Have Been Here Before Dr Heather Friedman Rivera is one of the most remarkable torch bearers of our times bringing light into the dark recesses of our over soul to which we are all connected into the universal oneness through her scholarly quantifying research on reincarnation and past life regression She makes skeptics see and hear and places the scientific dots on reincarnation and past life regression in such a convincing personal and touching way Adrian Finkelstein MD Former UCLA Psychiatry Professor Researcher Author Dr Heather Friedman Rivera s abrupt healing following a past life regression began a quest of personal discovery and scientific investigation into past lives Her experience as well as reports from over 200 respondents from around the world validate the spiritual psychological and physical healings that can result She reveals her personal journey and the scientific findings from her past life study Her research is now quantifying the type and degree of healing effects from past life experiences uncovering the factors that drive and influence these effects opening the door for more research in this important healing modality helping bridge gaps between Western medicine and complementary care

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
