DeathQuest Robert M. Bohm, 2016-11-10 This fifth edition of the first true textbook on the death penalty engages the reader with a full account of the arguments and issues surrounding capital punishment. The book begins with the history of the death penalty from colonial to modern times and then examines the moral and legal arguments for and against capital punishment. It also provides an overview of major Supreme Court decisions and describes the legal process behind the death penalty. In addressing these issues, the author reviews recent developments in death penalty law and procedure, including ramifications of newer case law such as that regarding using lethal injection as a method of execution. The author's motivation has been to understand what motivates the deathquest of the American people, leading a large percentage of the public to support the death penalty. The book educates readers so that whatever their death penalty positions are, they are informed opinions.

Sound Governance Ali Farazmand, 2004-12-30 The economic, political, and cultural forces of globalization affect every citizen of the world and the institutions that govern them. Against a backdrop of increasing resistance to these forces, especially in the developing world, this volume establishes a new theoretical and practical framework for analyzing the effects of globalization on nation states, local governments, nongovernmental and international organizations, and other administrative systems. Invoking a term attributed to Darius the Great over 2,500 years ago, sound governance, editors Ali Farazmand and Rosalyn Carter set the stage for a rich and multidimensional collection of essays on emerging issues in public administration around the world. Topics include: The impact and influence of the United Nations; Ethics and accountability in government; Applying the total quality management model to public sector institutions; Judicial and legislative reforms; Business-government partnerships and improvements in the delivery of public services. The result is a comprehensive study of innovations in public administration that will serve as an essential resource for students, researchers, policymakers, and practitioners alike.

Critical Issues in Crime and Justice Dan Okada, Mary Maguire, Alexa Sardina, 2018-09-10 *Critical Issues in Crime and Justice: Thought, Policy, and Practice* provides an incisive overview of issues and perspectives in criminal justice and criminology designed to expand upon key areas of study. With contributed essays from leading scholars in the field, the Third Edition illustrates the breadth of research, policy, and practice implications in areas such as crime theory, law enforcement, jurisprudence, corrections, and criminal justice organization and management. New to this edition are chapters on wrongful convictions, human trafficking, and mental illness and criminal justice. Three critical issues facing contemporary policing, courts, and corrections: The coverage of concepts, insights, voices, and perspectives will challenge criminal justice and criminology students to synthesize what they have learned. Question standard.

interpretations and begin to create new directions and visions for their future careers as professionals in the field The Death Penalty Today Robert M. Bohm, 2017-11-13 More than 30 years after the US Supreme Court reinstated the death penalty it is still plagued with egregious problems Issues of wrongful conviction inhumane practices and its efficacy as a deterrent are hotly debated topics As of August 2007 two thirds of the worlds countries have abolished the death penalty Today the US falls alongside I **The Oxford Handbook of Sentencing and Corrections** Joan Petersilia, Kevin R. Reitz, 2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues **Civic Repentance** Amitai Etzioni, 1999 This collection of essays by scholars of diverse backgrounds explores the notion of repentance in our culture focusing on individuals who have been excluded from society as a result of violating its laws What must these individuals do to gain redemption and be readmitted Amitai Etzioni argues that the lack of a well grounded concept of civic repentance has significant negative social consequences for our society Denying people the opportunity to regain their social standing and membership in their communities is simply unfair and the absence of such opportunities for restoration through repentance exacts heavy social costs The essays in this collection address these issues from a variety of perspectives and discuss possible ways of filling this void including restorative justice physician rehabilitation programs and religious reconciliation rituals

The Slow Death of the Death Penalty Todd C. Peppers, Jamie Almallen, Mary Welek Atwell, 2025-07-01 Why the death penalty is in decline across the United States Across the country the death penalty is dying Twenty two states have abandoned state sanctioned executions including nine in the last fifteen years Of the twenty eight states that still have the death penalty eight have not had an execution in over a decade And public support for the death penalty has declined from 80% of the surveyed population in the early 1990s to approximately 50% today As the death penalty slowly withers away Todd C Peppers Jamie Almallen and Mary Welek Atwell bring together a number of distinguished death penalty scholars activists and attorneys to take an accounting of the damage inflicted by the machinery of death Contributors to the book point to a range of different pathologies which have caused politicians and voters to turn against capital punishment from unacceptable rates of false convictions and racially motivated prosecutions to a clemency process poisoned by political factors Essay topics include various dimensions of the death penalty including racial and gender bias economic costs the conviction of juveniles the mentally ill and the factually innocent Supreme Court decisions and the failure of the death penalty to serve as a deterrent against crime This important volume is an up to date accounting of the current state and as the contributors argue the future demise of the death penalty
