Through Time Into Healing Brian L. Weiss, 2012-05-08. The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy from the New York Times bestselling author of *Many Lives, Many Masters*. Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives, Many Masters*. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near-death and out-of-body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

Healing with Past Life Therapy Lorraine Flaherty, 2013-09-01. Providing evidence to the validity of past lives, this self-help guide delves deeply into past life regression and offers a thorough understanding of each step of the process. Through detailed transcripts of actual sessions, ordinary people speak candidly about their experiences with this form of self-discovery. Confirming that she has gone through the same journey to healing, Lorraine Flaherty incorporates stories of her own past lives to illustrate the ways these insights can aid in clearing away mental clutter, help to form better decisions, cause one to become more empowered, and put one's life on the right path. With a compelling and down-to-earth approach, this remarkable discussion illustrates the ways that any reader, from the idly curious to the serious spiritual seeker, can develop a greater understanding of who they are, where they come from, and where they are going.
