Past Lives An Investigation Into Reincarnation Memories:

Past Lives Peter Fenwick, Elizabeth Fenwick, 2001-07-01 For centuries the existence of reincarnation has been a firmly held belief of millions that crosses races religions and cultures In *Past Lives* Dr Peter Fenwick and Elizabeth Fenwick examine this extraordinary phenomenon by attempting to determine whether people are experiencing actual memories or thoughts and ideas based on imagination Featuring more than 100 firsthand accounts from those who believe they can recall their previous existences this insightful exploration of reincarnation may change the way you think and challenge your views of life itself A World War II veteran relives the moment of his death in the cockpit of a bi plane during the first World War A hypnotized woman starts speaking with an Irish brogue about her life in Ireland although she s never visited there While vacationing in Egypt a woman correctly describes a temple she was once worshipped in without ever having been inside

Children's Past Lives Carol Bowman, 2012-02-01 Has your child lived before In this fascinating controversial and groundbreaking book Carol Bowman reveals overwhelming evidence of past life memories in children Not only are such experiences real they are far more common than most people realize Bowman s extraordinary investigation was sparked when her young son Chase described his own past life death on a Civil War battlefield an account so accurate it was authenticated by an expert historian Even more astonishing Chase s chronic eczema and phobia of loud noises completely disappeared after he had the memory Inspired by Chase s dramatic healing Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives spontaneously and naturally In *Children s Past Lives* she tells how to distinguish between a true past life memory and a fantasy offers practical advice to parents on how to respond to a past life memory and shows how to foster the spiritual and healing benefits of these experiences Perhaps the most moving convincing and best documented evidence yet for life after death *Children s Past Lives* will stand alongside the classics of Betty J Eadie Raymond Moody and Brian Weiss in its power to comfort uplift and transform our thinking about life after death

The Shape of the Soul Paul Marshall, 2019-03-18 An essential read for any true seeker Eben Alexander MD Neurosurgeon author of *Proof of Heaven* and *Living in a Mindful Universe* When Paul Marshall began to pay attention to his dreams he could not have anticipated the transformative experience that would follow A tremendous expansion of consciousness exposed the insignificance of his everyday self but also revealed unsuspected depths of mind and hinted at a deeper self that holds the universe within In *The Shape of the Soul* Marshall now a mysticism scholar draws on personal experiences along with a wealth of religious philosophical and scientific ideas to explore this deeper self sometimes experienced in mystical and near death states as spherical in form Drawing inspiration from the philosophers Plotinus and Leibniz Marshall takes mind to be more fundamental than matter and views the basic units of nature as perceptual beings We ourselves are such beings striving for fulfilment in a long evolutionary journey of soul making Bringing together mysticism philosophy biology and even some physics *The Shape of the Soul* offers a deeply integrated vision of the self and the universe

Addressing the mind body problem the origin of the world evolution reincarnation suffering and the nature of God Marshall delivers what will surely prove an intellectual classic **Life Before Life** Jim B. Tucker,2005-09 Child psychiatrist Dr Ian Stevenson describes what researchers at the University of Virginia Medical Center have learned by studying young children s reports of past life memories **Signs of Reincarnation** James G. Matlock,2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records anthropological studies and contemporary research Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain it does not require the acceptance of any radically new concepts or the abandonment of well established findings in mainstream psychology or biology This book offers students scholars and anyone interested in the possibility of reincarnation an essential grounding in beliefs cases and theory while opening doors for future research into the extension of consciousness beyond our present lives

Liberating Incarnations Elmdea Bean,2009-04 Have you ever wondered what a past life session is like or how you might benefit from doing one Liberating Incarnations explores adventures of past lives from swimming through the earth to a sailor dying in a stormy sea to a pregnant woman in the late 1800s Discover a startling view of time and how it really works Share experiences of self realization and the end of the search for who we really are One with God In their own voices twenty five people speak of their past life adventures and the personal healing that their journeys to the past brought about *A Jewish Guide to the Mysterious* Rabbi Pinchas Taylor,2020-06-15 Modern science is the most accurate lens of reality that humanity has developed so far Science is crucial to humanity s health safety and development Still the lens of science only sees a thin slice of the totality of existence Much of the human experience cannot be simply explained by standard quantifiable tests Many people have become aware of the limits and shortcomings of scientific knowledge and have also realized that our perpetual hunger for spiritual understanding is real and undeniable Many of us sense that there is something beyond Throughout various periods of history and various cultures and societies people have been interested in the mysterious and the paranormal This yearning is rooted in the soul s search for true spirituality *A Jewish Guide to the Mysterious* written by one of contemporary Judaism s leading scholars and teachers clearly explains classic Torah views on intriguing phenomena such as dreams astrology time travel alien life reincarnation ESP and auras angels demons ghosts and even such topics as the lost city of Atlantis and the Bermuda Triangle Read this fascinating book and be amazed
