Pastor Craft John T Pless, John T. Pless, Jacob Corzine, 2021-12-14 Pastoring God's people is not about managerial techniques or quick fix therapies Pastors are not life coaches or salesmen They are ambassadors of Christ Jesus called to speak not of their own wisdom but the wisdom of the cross Their craft is the art of knowing how to distinguish God's Law from His Gospel They preach the Law not in order to renovate broken lives but to reveal the rot that sin has caused so that God's other word the good news of the forgiveness of sins can ring true and clear restoring the joy of salvation to those caught in guilt and despair This book is aptly titled *Pastor Craft* as it takes us into the workshop of a teacher whose life has been devoted to teaching this craft to those calling it will be to preach this good Word in season and out of season Young pastors will find seasoned wisdom here for faithful ministry Veteran pastors might read the book as something as a refresher course in pastoral theology **Spiritual Formation as if the Church Mattered** James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard The Synaptic Gospel Christopher D. Rodkey, 2012-01-06 In this book Christopher D Rodkey asks how the brain worships and responds by engaging ideas from neurological science philosophy ritual theory and religious education From this exploration two new paradigms for pastoral ministry emerge First Rodkey proposes a pan generational principle advocating an empathy based approach for fostering faith communities a principle that is radically inclusive to all generations Second Rodkey argues that worship and religious education should converge to include a shared goal of teaching individuals to live liturgically In *The Synaptic Gospel* Rodkey argues that living and thinking liturgically are learned behaviors that may be promoted through pan generational worship The book concludes with a special emphasis on practical suggestions for youth ministry *The Synaptic Gospel* will prove to be a useful theoretical tool for pastors religious educators youth ministers church music professionals and seminary students Modern Psychopathologies Mark A. Yarhouse, Richard E. Butman, Barrett W. McRay, 2016-09-23 Mark A Yarhouse Richard E Butman and Barrett W McRay offer this revised companion volume to *Modern Psychotherapies* addressing students and mental health professionals who want to sort through contemporary secular understandings of psychopathology in relationship to a Christian worldview

Inter-religious Dialogue: Philosophy and Theology Leon Kabasele,2013 This book African Inter religious Dialogue Philosophy and Theology my fifth discusses many issues concerning African theology so Africans may understand their roots and consider them first It discusses in depth philosophical aspects of African religion and the challenges that religious philosophy faces In particular this book discusses why many Africans leave their ancestral religion for other religions Through an analysis of many religions in Africa I have discovered that as a result of colonialism many religions oppose each other even if they have the same structures and that this has brought about religious and political conflict among followers of these religions Therefore my research and analysis seeks to expose the importance of dialogue between religions in Africa to bring about understanding among their followers In the public sphere religions should have an impact on the African countries in which they re practised and to do so governments should authorise religions to take part in the political discourse
