## **Pastoral Theology:**

Pastoral Theology Dr. Daniel L. Akin, Dr. R. Scott Pace, 2017-06-01 Pastoral Theology constructs a theological framework for pastoral ministry that is biblically derived historically informed doctrinally sound missionally engaged and contextually relevant

Pastoral Theology in an Intercultural World Emmanuel Y. Lartey, 2013-03-13 In today's world the challenge of care is how to respond to people's emotional as well as their economic circumstances How can we be respectful of the individual and the community in ways that affirm both How are we to live respectfully with difference and ambiguity Where shall we find our models of life and care from the dominant Western or else some kind of global perspective that includes indigenous knowledge In our theologies do we continue to privilege the study of abstract conceptual theory or do we give place to pragmatic aesthetic and nonverbal forms In the face of increasing extremism terrorism and violence is it possible to make a sensible choice between radical relativism and absolute essentialism Are we to be drawn towards the various expressions of religion or to the opportunities and ambiguities of spirituality as it is called upon in many societies today With the scarce resources available or allocated to health care in many national budgets across the world shall we give greater attention to the eradication of disease through increasingly advanced technologies and therapeutic strategies or to the promotion of health through primary health care and public health education Pastoral Theology in an Intercultural World presents practical theological resources for the broad vision deep passion and thoughtful action needed for pastoral care in the twenty first century

*Pastoral Theology* Thomas C. Oden, 1983-05-25 This much needed book fully integrates principles of pastoral care leadership and theology to restore to ministers a clearly defined pastoral identity Moving from a critique of inadequate models for ministry from community organizer to T V evangelist Oden develops a more classical model rich in its references to the past and compatible both with Christian faith and theology through the ages and with current needs Reconciling classical tradition with practice Pastoral Theology will be a standard resource and reference in the field Oden distills the best ideas of the two millennia of ecumenical Christian thinking concerning what pastors are and do Pastoral Theology provides the foundational knowledge of the pastoral office requisite to the practice of ministry It will be of interest to persons preparing for ordination in its review of key issues at the same time Pastoral Theology will appeal to all those who have considered entering the ministry those who want to know more about what clergy do and why and those ministers who want to review their ongoing work in the light of a systematic reflection on the pastoral gifts and tasks

Pastoral Theology Martin Thornton, 2010-06-01 This is a book about pastoral priorities and parochial spirituality Mr Thornton argues that considerations of biblical and philosophical theology history and psychology alike demand that pastoral work should be based on that Remnant of faithful souls often very few in number to be found in any parish and that their training and direction is of very much greater importance than devising schemes to interest the multitude He argues forcefully against the parochial activity which aims at adding numbers of individuals to the Church by methods of recruitment this he holds to be

theologically unsound and ascetically ineffective His faith is that God will add to the Church such as are being saved when there is at the heart of the parish this Remnant living by rule a center of adoration and charity the rightful heir he contends of medieval monastic Order There is probably no other modern work which attempts such a serious and thorough examination of the type of spirituality to which Christians can aspire in the world today Pastoral Theology Thomas Murphy,1901 Reconstructing Pastoral Theology Andrew Purves,2004-09-20 In Pastoral Care in the Classical Tradition Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal the fiefdom of psychology and the social sciences He builds further on this idea here presenting a christological basis for ministry and pastoral theology **Pastoral Theology** Patrick Fairbairn,James Dodds,1875 **Pastoral Theology in the Classical Tradition** Andrew Purves,2001-11-01 Too often pastoral care is uninformed by historical practice and is overly influenced by psychological theory and practice according to Andrew Purves At least one consequence of this is that it is often disaffiliated from the church s theological heritage Purves examines Christian writers from the past who represent the classical tradition in pastoral theology classical in the sense that they and their texts have shaped the minds and practices of pastors in enduring ways He reflects on texts from Gregory Nazianzus John Chrysostom Gregory the Great Martin Bucer and Richard Baxter He includes a brief biography of each author introduces the major themes in the writer s theology and discusses the issues arising for pastoral work Pastoral Theology and Care Nancy J. Ramsay,2018-02-01 Leading pastoral theologians explore a wide variety of themes related to pastoral practice Pastoral Theology and Care Critical Trajectories in Theory and Practice offers a collection of essays by leading pastoral theologians that represent emerging trajectories in the fields of pastoral theology and care The topics explored include qualitative research and ethnography advances in neuroscience care across pluralities and intersections in religion and spiritualities the influence of neoliberal economics in socio economic vulnerabilities postcolonial theory and its implications the intersections of race and religion in caring for black women and the usefulness of intersectionality for pastoral practice Each of the essays offers a richly illustrated review of a practice of pastoral care relationally and in the public domain The contributions to this volume engage seven critical directions emerging in the literature of pastoral theology in the United States and internationally among pastoral and practical theologians While coverage of these topics does not exhaust important points of activity in the field it does represent especially promising resources for theory and practice This important work Offers unique coverage of new directions in the field Includes contributions from an exceptional group of experts who are noted leaders in their areas of study Introduces the newest perspectives on pastoral care and offers constructive proposals Filled with case illustrations that make chapters pedagogically useful Pastoral Theology and Care is essential reading for faculty seminarians and students in advanced degree programs and pastors **Outlines of Pastoral Theology for Young Ministers and Students** William Hastie,1904 **Pastoral Theology** John Henry Charles Fritz,1932

**Transforming Practice** Elaine Graham, 2002-03-21 This book is an attempt to address the relationship between the contemporary crisis of Western culture and the future of Christian theology from the vantage point of pastoral practical theology In an age of uncertainty the authority and status of the sources and norms of Christian pastoral care and social action can no longer be taken for granted The traditional models of human nature value and community drawn from Scripture and tradition appear anachronistic especially in the light of postmodern insights into identity power and knowledge The purpose of this book is therefore to reconstruct the values by which Christian practice may be guided in a pluralist and fragmented society and to identify a model of pastoral theology for a postmodern age Can a reconstructed pastoral theology regulate the relationship between theory and practice and construct a relevant but authentic practical wisdom It is possible to maintain the boundaries of coherent community with binding truth claims whilst remaining open to the horizons of diversity and provisionality Pages 2 3

**The Reformed Pastor** John Williamson Nevin, 2006-02-01 During the relatively short history of American Protestantism countless pastors theologians and pastor theologians have addressed a variety of pragmatic issues facing Christian congregations No one has done so with greater theological precision and passion than the Reformed theologian John Williamson Nevin 1803 1886 Nevin made his mark in American Protestantism with the publication of *The Anxious Bench* and *The Mystical Presence* In this volume Sam Hamstra brings to light Nevin's previously unpublished *Lectures on Pastoral Theology* a work that provides students with a more comprehensive portrait of one of the nineteenth century's leading Reformed theologians in America Hamstra's introduction provides an important companion to Nevin's *Lectures* one that includes application for twenty first century pastors as well as a surprise for those familiar with Nevin's critique of New Measures
