Human Sexuality in the Catholic Tradition Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition

meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation The American Benedictine Review ,2013 **Thorny Issues** William P. Roberts,2000 The author focuses on the seven issues indicated above the meaning of such controversial issues as sexual integrity divorce and remarriage homosexual orientation mandatory priestly celibacy the priestly ordination of women abortion and the papacy The author s purpose is not to rehash all the old arguments on the diverse sides of these topics It is to strive to reflect on each of the topics in their broader theological pastoral and spiritual context **Revolutionary Saint** Lee, Michael E.,2017 **Pastoral Music** ,2000 Óscar Romero's Theological Vision Edgardo Colón-Emeric,2018-10-30 This ambitious book examines Saint Oscar Romero s words to understand how his thoughts fit into the broader context of Catholic theology On March 24 1980 Archbishop Oscar Romero was assassinated as he celebrated mass in El Salvador He was canonized as a saint by Pope Francis on October 14 2018 Edgardo Col n Emeric explores the life and thought of Romero and his theological vision which finds its focus in the mystery of the transfiguration Romero is now understood to be one of the founders of liberation theology which interprets scripture through the plight of the poor His theological vision is most succinctly expressed by his saying Gloria Dei vivens pauper The glory of God is the poor who lives God s glory was first revealed through Christ to a landless tenant farmer a market woman and an unemployed laborer and they received the power to shine from the church to the world Col n Emeric s study is an exercise in what Latino theologians call *ressourcement* from the margins or a return to theological foundations One of the first Latin American Church Fathers Romero s theological vision is a sign of the emergence of Christianity in the Global South from reflection Church to source Church The hope for this study is that scholars in the fields of theology religious studies and Latin American studies will be captivated by the doctrine of this humble pastor and inspired to think more clearly and act more decisively in solidarity with the poor *First Belong to God* Austen Ivereigh,2024-02-13 This is not a time to hunker down and lock our doors I see clearly that the Lord is calling us out of ourselves to get up and walk From the Foreword by POPE FRANCIS Drawing on the wisdom of Pope Francis and the Spiritual Exercises of St Ignatius of Loyola Austen Ivereigh has written a captivating spiritual guide for our turbulent age Designed as an eight day Ignatian retreat *First Belong to God* serves as a roadmap to deeper discipleship It does this by focusing on the three foundational forms of belonging to God to creation and to others Structured around the core principles of St Ignatius s Spiritual Exercises *First Belong to God* encapsulates the key aspects of the Francis pontificate the essence of being God belonging entities the way God s mercy challenges our self reliance the journey to building the Kingdom in the footsteps of Christ heeding the cry

of the earth and the stranger striving for fraternity by championing synodality Whether you re embarking on a solitary spiritual expedition or a journey with like minded individuals First Belong to God offers the next best thing to a personal retreat with Pope Francis a full soul immersion into his wisdom via the classic Jesuit retreat that shaped him so profoundly

In Your Eyes I See My Words Pope Francis,2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio s writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio s homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio s friend the Uruguayan philosopher Methol Ferr the literary figure Miguel ngel Asturias and Enrique Santos Disc polo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God s people that seeks to spread God s merciful anointing to those living on the margins of life

A Light Unto My Path James J. Bacik, Kevin E. Anderson, 2006 There are

many books available on creating a good effective homily This book unique in that it is the product of a long standing dialogue between James Bacik a pastor and theologian and Kevin Anderson a clinical psychologist and author offers those who preach theological perspectives and practical advice on proclaiming the word of God The authors move through the process of preparing and delivering a homily from its conception to delivery However they emphasize the focus and function of the homily rather than the theme and how this relates the message of the readings to the human or social concerns of the congregation Here is a one of a kind book that includes empirical data in the form of a survey to explore what works and does not work in preaching It will provide a fresh perspective to those in homiletics courses in seminaries as well as hands on advice for those who already preach
