Francis Poulenc (1899-1963) Carl B. Schmidt, 1995-10-19 The name of Francis Poulenc 1899 1963 was first brought to prominence in the 1920s as a member of Les Six a group of young French composers encouraged by Satie and Cocteau His subsequent fame spread well beyond France and he is coming to be regarded as one of this century's most significant composers His compositions are heard constantly in concert halls the world over and numerous recordings including complete sets of songs and piano music have been released Books articles and more than a dozen doctoral dissertations have discussed his music Carl Schmidt's catalogue of Poulenc's works represents the first comprehensive attempt to list an oeuvre which numbers approximately 185 compositions written from his teenage years until his death at the age of 63 The Catalogue identifies a number of unpublished works and adds a small group of compositions to his musical canon for the first time Each work whether complete or unfinished published or unpublished is described fully Catalogue entries list and describe all known printed editions including reprints and manuscript copies of each work In addition they provide detailed compositional histories based on numerous letters documents and press accounts many of which have not been published previously Russian interest in Poulenc's music manifested in press runs exceeding one million copies is also revealed for the first time

Les Six Robert Shapiro, 2014-07-01 The absorbing comprehensive story of an absolutely unique experiment in classical music involving many key figures of the Dada and Surrealist movements Les Six were a group of talented composers who came together in a unique collaboration that has never been matched in classical music and here their remarkable story is told for the first time A musical experiment originally conceived by Erik Satie and then built upon by Jean Cocteau Les Six were also born out of the shock of the German invasion of France in 1914 an avant garde riposte to German romanticism and Wagnerism Les Six were all and still are respected in music circles but under the aegis of Cocteau they found themselves moving among a whole new milieu the likes of Picasso Ren Clair Blaise Cendrars and Maurice Chevalier all appear in the story But the story of Les Six goes on long after the heyday of Bohemian Paris the group never officially disbanded and it was only in the last 20 years that the last member died moreover their spouses descendants and associates are still active ensuring that the remarkable legacy of this unique group survives

Homintern Gregory Woods, 2017-01-01 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin's Comintern by those suspicious of an international homosexual conspiracy such networks

connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history Empire, Celebrity and Excess Martin Francis,2022-09-22 While now long forgotten King Farouk of Egypt loomed large in British culture in the 1940s and 1950s Farouk was of interest and importance not just to British imperial policy makers but to a wider public that was exposed to his extravagant lifestyle and colourful private life through gossip columns comedy sketches cartoons song lyrics and novels This book explores how the narratives and representations of King Farouk found in British official and popular culture dramatized the retreat from empire the rise of celebrity journalism changing conceptions of masculinity and sexuality ambivalent attitudes towards monarchy postcolonial exile the growth of mass tourism and the post war transition from austerity to abundance By considering diplomatic history in tandem with histories of popular culture and celebrity Francis presents a more holistic understanding of British culture during the era of decolonization The varied cultural and social features of post war Britain and the reconstitution of British identity in the aftermath of empire sexual liberalization Americanization consumer affluence increased interaction with Europe new forms of mass leisure and the emergence of celebrity culture did not take place independently of the dismantling of imperial rule Studying Farouk therefore sheds new light on the multiple and complex ways in which Britain emerged as a postcolonial nation **Jean Cocteau** James S. Williams,2008-02 Evaluating Cocteau s career and his fascinating personal life on equal terms James Williams offers here a groundbreaking analysis that sets them both within highly revealing historical and artistic contexts

Women Together/Women Apart Tirza True Latimer,2005-08-24 What does it mean to look like a lesbian Though it remains impossible to conjure a definitive image that captures the breadth of this highly nuanced term today at least we are able to consider an array of visual representations that have been put into circulation by lesbians themselves over the last six or seven decades In the early twentieth century though no notion of lesbianism as a coherent social or cultural identity yet existed In *Women Together Women Apart* Tirza True Latimer explores the revolutionary period between World War I and World War II when lesbian artists working in Paris began to shape the first visual models that gave lesbians a collective sense of identity and allowed them to recognize each other Flocking to Paris from around the world artists and performers such as Romaine Brooks Claude Cahun Marcel Moore and Suzy Solidor used portraiture to theorize and visualize a new breed of feminine subject The book focuses on problems of feminine and lesbian self representation at a time and place where the

rights of women to political professional economic domestic and sexual autonomy had yet to be acknowledged by the law Under such circumstances same sex solidarity and relative independence from men held important political implications Combining gender theory with visual cultural and historical analysis Latimer draws a vivid picture of the impact of sexual politics on the cultural life of Paris during this key period The book also illuminates the far reaching consequences of lesbian portraiture on contemporary constructions of lesbian identity *The Politics of Apolitical Culture* Giles

Scott-Smith,2003-08-27 This book analyses a key episode in the cultural Cold War the formation of the Congress for Cultural Freedom Whilst the Congress was established to defend cultural values and freedom of expression in the Cold War Struggle its close association with the CIA later undermined its claims to intellectual independence or non political autonomy By examining the formation of the Congress and its early years of existence in relation to broader issues of US European relations Giles Scott Smith reveals a more complex interpretation of the story The Politics of Apolitical Culture provides an in depth picture of the various links between the political economic and cultural realms which led to the Congress □□□□□□□□

□□ □□□□□□□□,□□□□,2014-04-17 *Sodom and Gomorrah* Marcel Proust,2021-06-22 An authoritative new edition of the fourth volume in Marcel Proust s epic masterwork In Search of Lost Time series Marcel Proust s monumental seven part novel In Search of Lost Time is considered by many to be the greatest novel of the twentieth century The fourth volume Sodom and Gomorrah is notable for its pioneering discussion of homosexuality After its publication Colette wrote to Proust No one has written pages such as these on homosexuals no one This edition is edited and annotated by noted Proust scholar William C Carter who endeavors to bring the classic C K Scott Moncrieff translation closer to the spirit and style of the original

Phantoms on the Bookshelves Jacques Bonnet,2013-11-05 This enchanting study on the art of living with books considers how our personal libraries reveal our true nature far more than just places they are living labyrinths of our innermost feelings The author a lifelong accumulator of books both ancient and modern lives in a house large enough to accommodate his many thousands of books as well as overspill from the libraries of his friends While his musings on the habits of collectors past and present are learned witty and instructive his advice on cataloguing may even save the lives of those whose books are so prodigiously piled as to be a hazard *Phantoms on the Bookshelves* ranges from classical Greece to contemporary Iceland from Balzac and Moby Dick to Google offering up delicious anecdotes along the way This elegantly produced volume will be a lasting delight to specialist collectors librarians bibliophiles and all those who treasure books *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1987 *Paper Trail* Richard Howard,2005-10-12 Richard Howard has been writing stylish deeply informed commentary on modern culture and literature for more than four decades Here is a selection of his finest essays including some never before published in book form on a splendid range of subjects from American poets like Emily Dickinson and Marianne Moore to French artists such as Rodin and Michel Delacroix Also included are considerations of modern sculpture and of the photography of the human body

Howard's intense familiarity with modern poetry is seen to excellent effect in essays on the poetry of forgetting on the causes and effects of experimental poetry and on the first books of poets whose work he helped introduce among them J D McClatchy Frank Bidart and Cynthia MacDonald Of course Howard brings to his consideration of French literature a rare wisdom drawn from his celebrated work as a translator of Stendhal and Gide Barthes and Cocteau Yourcenar and Gracq Hilton Kramer once wrote that Richard Howard performs the essential critical service He shows us the extent of the terrain He points out its essential features And he gives us a very vivid sense of its ethos as well as of its esthetics Howard now in his seventy fifth year continues his adroit inventive commentary which enriches us all *Coco Chanel* Linda Simon,2011-10-01

The name Chanel brings immediately to mind the signature scent of No 5 and the understated but sophisticated glamour of a simple black dress and pearls But to consider Gabrielle Coco Chanel 1883 1971 as simply a fashion designer fails to capture her social and cultural significance As Linda Simon reveals in this biography Chanel was an iconoclastic entrepreneur who rebelled against and manipulated gender expectations of her time With her menswear inspired designs her loose jersey sweaters belted jauntily at the waist and her svelte unadorned gowns Chanel changed women's silhouettes and she became known as a champion of women's freedom Chanel not only changed the shape of women's clothing but the narrative of women's lives in the early twentieth century From her very first hat shop until her death Chanel sold more than fashion she sold a myth that became as attractive for many women as her coveted outfits Simon here teases apart that myth to explore its contradictions Chanel was a self proclaimed recluse who emerged as one of the most spectacular personalities of her time she was a brilliant businesswoman who signed away ninety percent of her company and she was a genius who claimed she was nothing more than an artisan In this insightful book Simon examines the world both reflected and shaped by Chanel setting her life and work within the context of women's history in France and America from the Roaring Twenties to the profound social changes of the 1960s Drawing upon rich archival sources Simon's lively book is a clear eyed look at a woman whose influence and legend transcend the world of fashion Claire Trevor Derek Sculthorpe,2018-05-03

Claire Trevor 1910 2000 is best remembered as the alluring blonde femme fatale in such iconic noir films as *Murder My Sweet* 1944 and *Raw Deal* 1948 Yet she was a versatile performer who brought rare emotional depth to her art She was effective in a range of diverse roles from an outcast prostitute in John Ford's classic *Stagecoach* 1939 to the ambitious tennis mother in *Hard Fast and Beautiful* 1951 to the embittered wife of a landowner in William Wellman's overlooked gem *My Man and I* 1952 Nominated for three Oscars she deservedly won Best Supporting Actress for her portrayal of Gaye Dawn a gangster's broken down moll in *Key Largo* 1948 The author covers her life and career in detail recognizing her as one of the finest actresses of her generation
