Pat The Yuppie:

Pat the Yuppie Jim Becker, Andy Mayer, 1986-09-01 A parody of children's texture books describes the world of the Yuppie and lets the reader touch sheepskin seat covers, fresh pasta, and the brick of a new condominium **A Godward Life** John Piper, 2015-10-06 A Godward Life is the first of three devotional volumes by John Piper; each features 120 vignettes that focus on the radical difference it makes when we choose to live with God at the center of all that we do. Professor Molly's Big Book of Murder Part Two Frankie Bow, 2023-05-27 Featuring the second six Professor Molly mysteries and an exclusive bonus short story with reporter Pat Flanagan and Harriet Holmes. The Blessed Event Davison Gonsalves was a nightmare student; an obnoxious entitled cheating suckup. In a twist of fate that might seem hilarious if it happened to someone else, he was now my stepson. Mother's Day Mahina State University's powerful fundraising office tasks Professor Molly with a special assignment: To serve as the personal tutor/concierge to Jeremy Brigham, whose mother happens to be fabulously wealthy and gravely ill. Molly is not thrilled at having to babysit a spoiled rich kid. Especially not while she's battling morning sickness, a meddling mom, and as always, the Student Retention Office. But once inside the historic Brigham House, Molly realizes something is very wrong. And she has to decide whether to mind her own business and keep her job or risk everything to prevent a murder. The Nakamura Letters Professor Emma Nakamura doesn't believe in ghosts. So it doesn't bother her much when she learns of a long ago suicide in her remote upcountry rental house. She's sure there's a logical explanation for the disappearing items and the strange sounds in the night. Fortunately, Emma's best friend Molly has news shocking enough to take Emma's mind off the hauntings. Now Emma and Molly have to rely on their strong reasoning skills and a weak internet connection to figure out how a body ended up in Molly's backyard. The Nakamura Letters is an island-style take on the Golden Age mysteries of Mary Roberts Rinehart and Agatha Christie. The Perfect Body When Professor Molly attends Mahina State University's exclusive donor dinner, she doesn't expect to share a table with the insufferable Stephen Park. Turns out it's one thing to invite your toxic ex-boyfriend to drop dead; it's quite another when he takes you up on it. The Fever Cabinet Through no fault of her own, Professor Molly just got promoted to department chair. The Student Retention Office has her buried in paperwork. The college has just relocated to a former asylum which is undergoing noisy renovations. Molly's dean has directed her to mentor the department's new star, the prickly Fiona Spencer, and to do whatever it takes to keep Fiona happy. At least nothing else can go wrong. And then Fiona finds a body in her office. The Influencer There's no such thing as bad publicity. Until it happens to you. Professor Molly's new renter is a social media star seeking privacy in remote Mahina, Hawaii. The arrangement seems to be working out until the celebrity influencer vanishes.

Molly and her best friend Emma Nakamura call in the Mahina PD and try to stay out of the way But the unthinkable happens the saturnine Detective Medeiros actually asks for Molly and Emma s help As they confront nosy neighbors fanatical followers and the missing woman s has been husband Molly and Emma find themselves at the center of the story And when fame creates its own reality that s a dangerous place to be EXCLUSVE BONUS CONTENT Death at the Effigy It s 1984 Young Pat Flanagan gets his first reporting job at San Diego s second coolest zine Voltaire s Quill But when Pat covers the opening night of a trendy new club he witnesses a freak accident and has to choose keep his eccentric editor Harriet and her advertisers happy or find out the truth

The Fourth Quill Edwin Clark Johnson, Toby Johnson, 2012 What if you learned that the AIDS virus was the result of bioweapons research gone bad and that somebody knew and was hiding the truth What if there's a cure Could you trust your source of information Could you trust your own perceptions Could you act on such information And what would you do This is the situation that San Francisco AIDS counsellor Jonathan Stiers finds himself enmeshed in in this wisdom tinged thriller novel by gay spiritual writer student of Joseph Campbell and former editor of White Crane Journal Toby Johnson Originally published in 1987 when AIDS was still a mystery disease successful treatments had not been developed and spiritual attitudinal healing of soul if not of body was the only hope this novel with its explanations of healing and presentation of wisdom from *A Course in Miracles* and *The Lazy Man's Guide to Enlightenment* was originally titled *Plague* A Novel about Healing Twenty five years later the novel's quandary about the nature of evil and its message of hopeful acceptance and love of life are still relevant perhaps even more so The story of the fourth quill comes from an Indian tale about a previous incarnation of the Buddha who discovers the treasure of the ages and it's not what he'd expected Johnson retells the tale and derives a meaningful and life affirming attitude that transcends the specific issues of AIDS in the 1980s *The Fourth Quill* recasts the story into a parallel universe with a surprising and happy ending where Jon Stiers really can wonder if he has brought about the cure of AIDS Woven through the hero adventure plot is a lovely and heartwarming romance with an unexpected twist A little modern scientific and sensible and a little mystical *The Fourth Quill* exemplifies Toby Johnson's style of dramatizing gay spirit through storytelling and speculative fiction This is a parallel universe readers will likely remember and come back to
