Humans in Film and Television Michael Klossner, 2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B C 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works **Edgar Rice Burroughs** Robert B. Zeuschner, 2024-10-14 In creating some of the most enduring

characters in 20th century literature Burroughs 1875 1950 left a complex bibliographic record of editions and a long chain of fascinated collectors The present reference work details all United States versions of all his works published through 1995 Each listing begins with a description of the first magazine appearance of the story with full publication data the first hardcover is then examined in detail with publisher date a complete description of the book s cover and jacket print run price number of pages and characteristics that separate it from following editions Similar information is then provided from all subsequent editions **Amicus - The Studio That Made Us Scream and Scream Again** Thomas Baxter, 2024-02-27

Amicus The Studio That Made Us Scream and Scream Again offers an entertaining and affectionate overview of the legacy of this beloved studio and the films they produced In the concluding chapter we shall also look at the work Milton Subotsky and Max Rosenberg did after Amicus folded So open that decanter of brandy make sure there aren t any voodoo dolls or disembodied hands lying around stay out of those catacombs lock the doors lest an escaped maniac dressed as Father Christmas be lurking watch out for the Werewolf Break and prepare to enter the spooky mysterious eclectic and wonderful world of Amicus Productions **The Dinosaur Filmography** Mark F. Berry, 2015-08-31 From classics like King Kong to

beloved B movies like The Beast from 20 000 Fathoms to blockbusters like Jurassic Park it s easy to see that filmmakers and

audiences alike love to see dinosaurs on the screen This comprehensive filmography arranged alphabetically by title contains entries that include basic facts year of release country of origin studio and running time followed by a concise plot summary the author s critical commentary information on the production and the people behind it and secrets of the often ingenious special effects Three useful appendices feature films with minor dinosaur content planned but unfinished dinosaur movies and the quasi dinosaurs of Toho Studios To be included a movie must depict one or more representations of a prehistoric reptile Inaccurate portrayals are included as long as the intent is to represent a real or fictional dinosaur Not eligible are films featuring prehistoric mammals prehistoric humans or humanoids and beasts of mythology unless of course the movie also has a dinosaur
