Political Public Relations Jesper Stromback, Spiro Kiouisis, 2011-05-18 Political Public Relations maps and defines this emerging field bringing together scholars from various disciplines political communication public relations and political science to explore the area in detail The volume connects differing schools of thought bringing together theoretical and empirical investigations and defines a field that is becoming increasingly important and prominent It offers an international orientation as the field of political public relations must be studied in the context of various political and communication systems to be fully understood As a singular contribution to scholarship in public relations and political communication this work fills a significant gap in the existing literature and is certain to influence future theory and research

Communication in Uncertain Times Sabine Einwiller, Jens Seiffert-Brockmann, Stefania Romenti, Chiara Valentini, 2024-05-31 Communication in Uncertain Times explores how different organizations from private to governmental and non profit deal with issues risks and crisis situations through communication

Public Relations, Branding and Authenticity Sian Rees, 2020-01-31 Public Relations Branding and Authenticity Brand Communications in the Digital Age explores the role of PR and branding in society by considering the notion of authentic communications within the context of an emerging digital media environment This qualitative analysis explores the challenge of developing authentic brand narratives in the digital age whilst questioning the problematic nature of authenticity itself Case studies of public relations

activity of successful brands and those in crisis are supplemented by interviews with senior public relations and branding practitioners. The book lays out three specific arguments. Firstly, a repositioning of the relationship between public relations and brand practice is explored. It is argued that public relations practitioners are well placed to facilitate brands in the digital age because of the inherent acceptance of the value of relationship building, adaptation and boundary spanning embedded in PR practice and best practice theory. Secondly, the book introduces a new concept of riparian brands. Such brands are based on solid core values but have an ability to atune, adjust and naturalise to the prevailing social, cultural and economic environment. Thirdly, the book presents an ontology of the riparian brand in the form of an authentic brand wheel and 15 real time interaction success factors. Aimed at both academics and practitioners interested in the theoretical development of PR and its emerging relationship with branding, it will also be of interest to scholars of corporate communications, corporate reputation and branding.

Public Relations Contemporary Issues And Techniques: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Public Relations Contemporary Issues And Techniques : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Public Relations Contemporary Issues And Techniques : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
