Public Scandal Odium And Contempt An Investigation Of Recent Libel Cases:

Public Scandal, Odium and Contempt David Hooper, 1986 **Doing Research on Sensitive Topics** Raymond M. Lee, 1993-03-16 This book is a comprehensive guide to the methodological ethical and practical issues involved in undertaking research on sensitive topics Raymond M Lee explores the reasons why social research may be politically or socially contentious its relation to issues of social or political power its capacity to encroach on people s lives and its potentially problematic nature for the researcher Issues examined include the choice of methodologies for sensitive research problems of estimating the size of hidden populations questions of sampling surveying and interviewing and sensitivity in access and the handling of data The book also discusses the political and ethical issues at stake in the relations between the researcher and the researched and in the disclosure dissemination and publication of research **Reputation** Kenneth H. Craik, 2009 This book argues that a network interpretation of reputation advances our understanding of an essential and inescapable feature of social life and integrates many of its varied facets Craik argues that reputation is not simply a topic for the study of social life Rather it holds the potential to sustain an interdisciplinary field of inquiry in its own right Buying Silence David Hooper, 2025-03-20 This timely and important book focuses on the controversial issue of SLAPP cases Strategic Lawsuits Against Public Participation which are designed to censor intimidate and silence critics by burdening them with aggressive opposing lawyers heavy legal costs and enquiry agents until they abandon the case David Hooper veteran media lawyer explores how the power of money enabled the very wealthy to crush their critics and outlines the tactics they used He examines how billionaire oligarchs often ex convicts and linked to organised crime have tried to launder their reputation in this country by suing for libel and how they have found lawyers only too happy to pocket their roubles Hooper describes his experience with some of these oligarchs including Boris Berezovsky when Hooper needed an armed bodyguard while collecting evidence in Moscow It was a case where both plaintiffs were ultimately murdered as was his client the editor of Forbes Russia The UK also has its home grown Slappsters of whom Nadhim Zahawi and Mohamed Amersi are the most recent examples They also come from Greece Sweden Azerbaijan Kazakhstan Malaysia Malta and the United States Hooper describes how those with something to hide tried with varying degrees of success to stop you knowing about it and how their lawyers were willing to help them The well paid legal profession does not emerge with credit *The Spectator* , 1984-07 A weekly review of politics literature theology and art *The University of New South Wales Law Journal* , 1985 *The Northern Ireland Legal Quarterly* , 1985 Schadenersatz bei Ehrverletzungen im englischen Recht Christina Peus, 2004

Freedom of the Press Ralph Edward McCoy, 1993 Ralph E McCoy s Freedom of the Press An Annotated Bibliography covered some four hundred years of press freedom in the English speaking world and was hailed by a reviewer as the most useful annotated bibliography ever produced on the topics of freedom and censorship in mass communication This second supplement covering the years from 1978 to 1992 contains more than 3 900 entries and follows the pattern and scope of both

the original bibliography and the first supplement which covered the years from 1967 to 1977 An annotated bibliography of books pamphlets journal articles dissertations films and other materials relating to freedom of the press in the English speaking world the bibliography defines the word press generically to include all media of mass communications books newspapers and other printed matter but also motion pictures recordings radio and television broadcasts and to a limited extent stage plays Annotations in this supplement are descriptive rather than critical and both positive and negative statements on press freedom are included Whenever possible the author s own words have been used to summarize the work or to express salient points of view Articles on the nature and effect of pornography that do not deal directly with press freedom but provide background information are included The present volume is more selective than the original and the first supplement particularly in covering news events One or two reports are often used to represent a much larger number of articles available thereby eliminating much duplication The format of this volume however follows that of the earlier volumes it is arranged alphabetically by personal or corporate author or by title where the author is unknown To facilitate a subject approach to the work a comprehensive subject index identifies topics concepts countries individuals court decisions and titles of censored works Current Law Index ,1987
