Public Management The Essential Readings:

Public Management J. Steven Ott, Albert C. Hyde, Jay M. Shafritz, 1991-01-01 This volume contains all the vital resources needed for effective management in government The readings collected in this book trace the history and nature of public management examine the role of computers and discuss privatization Chapters on management practices cover effective decision making proper planning budgeting productivity and human resources The final section provides a glimpse of what the future may hold for public management This book should prove useful to students in management and policy courses and to professionals in the field

The Study of Public Management in Europe and the US Walter Kickert, 2007-12-05 This book provides an overview of the study of public management from some of the most authoritative experts in this area of study in Europe and the United States establishing a dialogue between different approaches to this discipline

Public Management: Old and New Laurence E. Lynn, Jr., 2006-09-27 Putting the American model in perspective for academics around the world this book establishes the historical theoretical analytical practical and future foundations for the comparative study of public management

Public Management Konrad Raczkowski, 2015-07-14 Public management is undoubtedly an acknowledged area of management science but with meager empirical research This book takes this challenge and presents a rare analysis of public management from the perspective of 12 Prime Ministers of Poland who governed between 1989 and 2014 The author features the concepts practice and challenges of public management by making use of direct interviews with the Prime Ministers according to the classical management functions of planning organization direction and controlling The book also presents a theoretical inquiry which redefines public management by breaking away from the traditional paradigm of public management and introducing a mega organizational understanding of the state within new institutional economics

Essential Readings in Wildlife Management and Conservation Paul R. Krausman, Bruce D. Leopold, 2013-03-15 Published in association with The Wildlife Society

Public Management and Administration Owen E. Hughes, 2017-11-10 Introducing the scope and scale of government competing approaches to the study of management in the public sector different forms of service delivery and the major topics in the subject such as strategic management leadership and performance management this book continues to be a key point of reference for lecturers and students in the field This leading text has been completely revised and updated throughout It covers the whole field of public management and administration offering discrete chapters on the main topics in the field

Organization Theory and Public Management Jonathan R. Tompkins, 2023-08-16 Organization Theory and Public Management is written for current and future public managers Understanding organization theory helps managers at all levels define program objectives overcome constraints and accomplish mandated purposes Armed with theoretical and conceptual knowledge managers can better identify the factors that affect organizational performance determine how these factors interrelate and decide how best to resolve problems and attain goals Familiarity with organization theory can facilitate fresh ways to view organizational

challenges and discover new paths for pursuing change Organization theory supported by intuition and common sense can be a powerful guide to action The book approaches each organization theory school of thought on its own terms drawing out its implications for public management as objectively as possible Chapter 1 introduces organization theory as a field of study chapter 2 establishes the unique context of public management and chapter 3 presents three analytical frameworks for assessing the theories of organization covered in the twelve chapters that follow *Public Management* Ian

Greener,2012-11-05 Taking a critical approach it examines the key concepts and ideas of public management Comparative case studies introduce students to public management ideas from the US the UK and Europe The new edition is fully updated to reflect the financial crisis and its impact on the way public services are now being reformed across the world

Handbook of Public Administration B Guy Peters,Jon Pierre,2007-05-23 The past two decades have been marked by a period of substantial and often fundamental change in public administration Critically reflecting on the utility of scholarly theory and the extent to which government practices inform the development of this theory the Handbook of Public Administration was a landmark publication which served as an essential guide for both the practice of public administration today and its on going development as an academic discipline The Concise Paperback Edition provides a selection of 30 of the original articles in an accessible paperback format and includes a new introduction by B Guy Peters and Jon Pierre It is an essential point of reference for all students of public administration **The SAGE Handbook of Public Administration**

B Guy Peters,Jon Pierre,2012-08-16 The original Handbook of Public Administration was a landmark publication the first to provide a comprehensive and authoritative survey of the discipline The eagerly awaited new edition of this seminal international handbook continues to provide a complete review and guide to past and present knowledge in this essential field of inquiry Assembling an outstanding team of scholars from around the world the second edition explores the current state of the art in academic thinking and the current structures and processes for the administration of public policy The second edition has been fully revised and updated with new chapters that reflect emerging issues and changes within the public sector Identifying the Antecedents in Public Performance Bureaucratic Politics Strategy Structure and Policy Dynamics Comparative Administrative Reform Administrative Ethics Accountability through Market and Social Instruments Federalism and intergovernmental coordination A dominant theme throughout the handbook is a critical reflection on the utility of scholarly theory and the extent to which government practices inform the development of this theory To this end it serves as an essential guide for both the practice of public administration today and its on going development as an academic discipline The SAGE Handbook of Public Administration remains indispensable to the teaching study and practice of public administration for students academics and professionals everywhere
