Loving Arms Can Haunt You Dianna Cross Toran,2022-06-23 Willamina or Billie as everyone called her was a young black woman who could be somewhat messy The only constant in her life besides her family was the Loving Arms Inn It was operated by her great aunt and uncle except during the month of July when Billie and her family would leave the city and take over running the Inn while her aunt and uncle took a much needed vacation An incident at the Inn when Billie was six made her question if she could have seen a ghost Chocking it up to a little girl s wild imagination by everyone she puts it in the back of her mind Years later after a very public break up Billie decides to leave the city for good and start fresh at the place she loves most The Loving Arms Inn There she has a second hilarious reencounter with the ghost she saw as a child Her life is still messy but she is determined to get back on tract until she stumbles over a body This lighthearted story will have you in suspense while laughing out loud Purposeful Play with Your Preschooler Anthony C. Happens Every Summer David Rogers,1963 Why You Shouldn't Throw a Snake at Your Mother Phil Gray,2007-08-01 It was common knowledge that the woods behind my house in Milford were teeming with the most venomous of vipers Monstrous Copperheads lurked behind every rock Hideous Water Moccasins slithered through every creek Big snakes Poisonous snakes All banded together in an insidious reptilian conspiracy dedicated to the elimination of ten year old boys from the face of the earth Connecticut 1952 School is out for the summer In a time before computers X boxes and iPods the neighborhood kids have to get into trouble the old fashioned way using their imagination Ten year old Sonny Boy gets the bright idea for a practical joke involving his mother and a snake He fears the loathsome reptiles more than anything in the world but he figures it will be a great gag that will make him a hero to his buddies Charlie and Pudgy and to a certain girl But three bullies harass the boys at every turn and a battle of wits ensues Nothing however diminishes Sonny Boy s infatuation for or attempts to impress the lovely Mary Lou During that hot summer Sonny Boy befriends an octogenarian named Otto whose wisdom facilitates his introduction to adolescence and a final showdown with a snake **Battle**

Retreiving The Original Destiny K Scotty Stimage,2007-06 Ever wonder how most black really look at women in dating This story is how one young black man's conflict while in the military in the early 80's Scott Stimms never really had girlfriends growing up on the west side of Chicago not until he joined the army But the difference was that Caucasian women were paying attention and not sistas That made him even more so ignore black women until one sista recited a black poem and changed his enthusiasm After he got out the army and formed his own black magazine his energy to express his new foundation for black love came more when joining a poetry group at a local jazz spot But he still had problems connecting He still wondered if it's more important to love your own or does it matter what race and complexion she is The Library at Mount Char Scott Hawkins,2016-03-15 Wholly original the work of the newest major talent in fantasy The Wall Street Journal Freakishly compelling through heart thumping acts of violence and laugh out loud moments this book practically dares you to keep reading Atlanta Magazine A missing God A library with the secrets to the universe A woman too busy to notice her heart slipping away Carolyn's not so different from the other people around her She likes guacamole and cigarettes and steak She knows how to use a phone Clothes are a bit tricky but everyone says nice things about her outfit with the Christmas sweater over the gold bicycle shorts After all she was a normal American herself once That was a long time ago of course Before her parents died Before she and the others were taken in by the man they called Father In the years since then Carolyn hasn't had a chance to get out much Instead she and her adopted siblings have been raised according to Father's ancient customs They've studied the books in his Library and learned some of the secrets of his power And sometimes they've wondered if their cruel tutor might secretly be God Now Father is missing perhaps even dead and the Library that holds his secrets stands unguarded And with its control over all of creation As Carolyn gathers the tools she needs for the battle to come fierce competitors for this prize align against her all of them with powers that far exceed her own But Carolyn has accounted for this And Carolyn has a plan The only trouble is that in the war to make a new God she's forgotten to protect the things that make her human Populated by an unforgettable cast of characters and propelled by a plot that will shock you again and again The Library at Mount Char is at once horrifying and hilarious mind blowingly alien and heartbreakingly human sweepingly visionary and nail bitingly thrilling and signals the arrival of a major new voice in fantasy Praise for The Library at Mount Char An engrossing fantasy world full of supernatural beings and gruesome consequences Boston Globe Vivid the dialogue sings you'll spend equal time shuddering and chortling Dallas Morning News
