

Puerto Rico And The Puerto Ricans

**Kal Wagenheim, Olga Jiménez de
Wagenheim, Luis Martínez-Fernández**

Puerto Rico And The Puerto Ricans:

Puerto Rico Jorge Duany, 2024 In the second edition of *Puerto Rico What Everyone Needs to Know* R Jorge Duany provides a compendium to the island's rich history culture politics economy and diaspora Written in an accessible question and answer format Duany covers the history of the island as well as the demographic economic political and cultural features of contemporary Puerto Rico He examines the inner workings of the Commonwealth government and the island's relationship to the United States New material examines the multiple issues affecting Puerto Rico in the last decade including a prolonged recession the devastating impact of two hurricanes and the largest migrant wave ever recorded from Puerto Rico

Puerto Rico and the Puerto Ricans Clifford A. Hauberg, 1975 *The Puerto Rican Nation on the Move* Jorge Duany, 2002 An anthropologist delves deeply into the Puerto Rican identity revealing the complexity identity forged across two countries the island of Puerto Rico and the United States **None of the Above** Frances Negrón-Muntaner, 2007-04-16 This volume sets out current debates about Puerto Rico The title simultaneously refers to the results of a non binding 1998 plebiscite held in San Juan to determine Puerto Rico's political status the ambiguities that have historically characterized its political agency and the complexities of its ethnic national and cultural identifications The Puerto Ricans Kal Wagenheim, Olga Jiménez de Wagenheim, Luis Martínez-Fernández, 2023-01-15 50th anniversary edition 1973 2023 This expanded edition covers 500 years of Puerto Rico's history providing a kaleidoscopic view of the island's past It begins with a preface by the editors celebrating the 50th anniversary of the book's first printing and includes new sections on the debt crisis and the end of the bankruptcy procedure in 2022 the COVID pandemic and its consequences the hurricanes from Maria to Fiona and their aftermath The 2022 elections and the upcoming plebiscite **Patterns of Political Participation of Puerto Ricans in New York City** Rosa Estades, 1978 **Puerto Ricans in the United States** María E. Pérez y González, 2000-08-30 *Puerto Ricans in the United States* begins by presenting Puerto Rico the land the people and the culture The island's invasion by U S forces in 1898 set the stage for our intertwined relationship to the present day Pérez y González brings to life important historical events leading to immigration to the United States particularly to the large northeastern cities such as New York The narrative highlights Puerto Ricans adjustment and adaptation in this country through the media institutions language and culture A wealth of information is given on socioeconomic status including demographics employment education opportunities and poverty and public assistance The discussions on the struggles of this group for affordable housing issues of women and children particular obstacles to obtaining appropriate health care including the epidemic of AIDS and race relations are especially insightful The final chapter on Puerto Ricans impact on U S society highlights their positive contributions in a wide range of fields *War Against All Puerto Ricans* Nelson A Denis, 2015-04-07 The powerful untold story of the 1950 revolution in Puerto Rico and the long history of U S intervention on the island that the New York Times says could not be more timely In 1950 after over fifty years of military occupation and colonial rule the

Nationalist Party of Puerto Rico staged an unsuccessful armed insurrection against the United States. Violence swept through the island as assassins were sent to kill President Harry Truman. Gunfights roared in eight towns, police stations and post offices were burned down. In order to suppress this uprising, the US Army deployed thousands of troops and bombarded two towns, marking the first time in history that the US government bombed its own citizens. Nelson A. Denis tells this powerful story through the controversial life of Pedro Albizu Campos, who served as the president of the Nationalist Party. A lawyer, chemical engineer, and the first Puerto Rican to graduate from Harvard Law School, Albizu Campos was imprisoned for twenty-five years and died under mysterious circumstances. By tracing his life and death, Denis shows how the journey of Albizu Campos is part of a larger story of Puerto Rico and US colonialism. Through oral histories, personal interviews, eyewitness accounts, congressional testimony, and recently declassified FBI files, *War Against All Puerto Ricans* tells the story of a forgotten revolution and its context in Puerto Rico's history from the US invasion in 1898 to the modern-day struggle for self-determination. Denis provides an unflinching account of the gunfights, prison riots, political intrigue, FBI and CIA covert activity, and mass hysteria that accompanied this tumultuous period in Puerto Rican history.

The "Puerto Rican Problem" in Postwar New York City Edgardo Meléndez, 2022-11-11. The Puerto Rican Problem in Postwar New York City presents the first comprehensive examination of the emergence, evolution, and consequences of the Puerto Rican problem. Campaign and narrative in New York City from 1945 to 1960. This notion originated in an intense public campaign that arose in reaction to the entry of Puerto Rican migrants to the city after 1945. The problem narrative influenced their incorporation in New York City and other regions of the United States where they settled. The anti-Puerto Rican campaign led to the formulation of public policies by the governments of Puerto Rico and New York City seeking to ease their incorporation in the city. Notions intrinsic to this narrative later entered American academia like the culture of poverty and American popular culture, e.g., *West Side Story*, which reproduced many of the stereotypes associated with Puerto Ricans at that time and shaped the way in which Puerto Ricans were studied and perceived by Americans.

From Colonia to Community Virginia Sánchez Korrol, 1994. First published in 1983, this book remains the only full-length study documenting the historical development of the Puerto Rican community in the United States. Expanded to bring it up to the present, Virginia Sánchez Korrol's work traces the growth of the early Puerto Rican settlements, *colonias*, into the unique, vibrant, and well-defined community of today.

Why Should Puerto Rico Become the 51st State? Guillermo González Román M.D., 2021-01-14. With this book, *Why Should Puerto Rico Become the 51st State?*, Dr. González attempts to answer two basic questions: 1. Why has Puerto Rico been a colony for the past 527 years? 2. How could Puerto Rico stop being a colony? Colonialism refers to populations whose government's sovereignty resides in another country without fair and equal representation in that government. Puerto Rico is a territory that belongs to the USA since 1898 with the signature of the Treaty of Peace between Spain and the USA after the Spanish American War. The original book published in 2007, *The Governor's Suits*, was a response

to a book written by an ex president of the Supreme Court of Puerto Rico The Trials of the Oldest Colony of the World by Jos Tr as Monje After years of asserting that Puerto Rico was a self governing country he declared that PR is a colony He did not understand why Puerto Ricans have accepted colonialism In his book Dr Gonz lez explained that the experiences of colonialism have been endured because the experiences as a colony for all these years have branded the Puerto Ricans and shaped their personalities to accept and endure colonialism with stoicism With a near future discussion coming to Congress about the status of the relations between Puerto Rico and the USA Dr Gonz lez feels responsibility to create awareness that PR is a colony and since 2012 in a popular vote 54% of Puerto Ricans voted to discontinue the mutually consented colonialism up to then

The Unlinking of Language and Puerto Rican Identity Brenda Domínguez-Rosado, 2015-09-04 Language and identity have an undeniable link but what happens when a second language is imposed on a populace Can a link be broken or transformed Are the attitudes towards the imposed language influential Can these attitudes change over time The mixed methods results provided by this book are ground breaking because they document how historical and traditional attitudes are changing towards both American English AE and Puerto Rican Spanish PRS on an island where the population has been subjected to both Spanish and US colonization There are presently almost four million people living in Puerto Rico while the Puerto Rican diaspora has surpassed it with more than this living in the United States alone Because of this many members of the diaspora no longer speak PRS yet consider themselves to be Puerto Rican Traditional stances against people who do not live on the island or speak the predominant language PRS yet wish to identify themselves as Puerto Rican have historically led to prejudice and strained relationships between people of Puerto Rican ancestry The sample study provided here shows that there is not only a change in attitude towards the traditional link between PRS and Puerto Rican identity leading to the inclusion of diasporic Puerto Ricans but also a wider acceptance of the English language itself on this Caribbean island

Both Puerto Rican and American Thomas Arkham, 2014-09-29 Abraham Rodriguez speaks for many Puerto Ricans when he writes Of course I m Puerto Rican I am also American I m both Puerto Rican Americans have created a rich culture that spans two places and two identities Many travel back and forth between the island of Puerto Rico and the U S mainland Discover what it means to be a Puerto Rican American Learn more about the history art and culture of Puerto Rico Read the stories of important Puerto Rican Americans who have made the United States stronger *Puerto Rico* Nancy Morris, 1995-10-18 Review Explores how local political elites have shaped Puerto Rican identity during almost a century of US involvement Traces Island s political trajectory in its relations with US pt 1 and reproduces verbatim interviews with selected political leaders to identify elements that contribute to Puerto Ricans sense of nationhood pt 2 Concludes that despite pervasiveness of US cultural norms and the pressure to assimilate Puerto Rican identity remains resilient to this day pt 3 Handbook of Latin American Studies v 58 <http://www.loc.gov/hlas> **Seams of Empire** Carlos Alamo-Pastrana, 2019-04-08 A truly excellent contribution that unearths new and largely unknown evidence about

relationships between Puerto Ricans and African Americans and white Americans in the continental United States and Puerto Rico. Alamo Pastrana revises how race is to be studied and understood across national, cultural, colonial, and hierarchical cultural relations. Zaire Zenit Dinzey Flores, author of *Locked In, Locked Out: Gated Communities in a Puerto Rican City*, discusses Puerto Rico's colonial relationship with the United States and its history of intermixture of native African and Spanish inhabitants. This has prompted inconsistent narratives about race and power in the colonial territory. Departing from these accounts, early twentieth-century writers, journalists, and activists scrutinized both Puerto Rico and the United States's institutionalized racism and colonialism in an attempt to spur reform, leaving an archive of oft-overlooked political writings. In *Seams of Empire*, Carlos Alamo Pastrana uses racial imbrication as a framework for reading this archive of little-known Puerto Rican African American and white American radicals and progressives, both on the island and the continental United States. By addressing the concealed power relations responsible for national, gendered, and class differences, this method of textual analysis reveals key symbolic and material connections between marginalized groups in both national spaces and traces the complexity of race, racism, and conflict on the edges of empire.

Puerto Rico Jorge Duany, 2017. Acquired by the United States from Spain in 1898, Puerto Rico has a peculiar status among Latin American and Caribbean countries. As a Commonwealth, the island enjoys limited autonomy over local matters, but the U.S. has dominated it militarily, politically, and economically for much of its recent history. Though they are U.S. citizens, Puerto Ricans do not have their own voting representatives in Congress and cannot vote in presidential elections, although they are able to participate in the primaries. The island's status is a topic of perennial debate both within and beyond its shores. In recent months, its colossal public debt has sparked an economic crisis that has catapulted it onto the national stage and intensified the exodus to the U.S., bringing to the fore many of the unresolved remnants of its colonial history.

Puerto Rico: What Everyone Needs to Know R provides a succinct, authoritative introduction to the island's rich history, culture, politics, and economy. The book begins with a historical overview of Puerto Rico during the Spanish colonial period (1493-1898). It then focuses on the first five decades of the U.S. colonial regime, particularly its efforts to control local political and economic institutions, as well as to Americanize the island's culture and language. Jorge Duany delves into the demographic, economic, political, and cultural features of contemporary Puerto Rico, the inner workings of the Commonwealth government, and the island's relationship to the United States. Lastly, the book explores the massive population displacement that has characterized Puerto Rico since the mid-20th century. Despite their ongoing colonial dilemma, Jorge Duany argues that Puerto Ricans display a strong national identity as a Spanish-speaking Afro-Hispanic Caribbean nation. While a popular tourist destination, few beyond its shores are familiar with its complex history and diverse culture. Duany takes on the task of educating readers on the most important facets of the unique, troubled but much-beloved *isla del encanto*.

The History of Puerto Rico from Spanish Discovery to American Occupation R. A. Van Middeldyk, 2005-03-05. The latest permanent possession of the United States is also the oldest in point

of European occupation **Puerto Rico and the United States, 1917-1933** Truman R. Clark, 2010-11-23 From 1917 to 1933 the United States kept Puerto Rico in limbo offering it neither a course toward independence nor much hope for prompt statehood The Jones Act of 1917 gave Puerto Ricans U S citizenship but the status of the island didn't change In 1922 a Supreme Court decision reaffirmed the 1901 principle that island possessions had no right to equal treatment with continental territories and states Clark unfolds with clarity the painful truth of the United States unsavory attempt at being both a democratic and imperial nation governors were sent without the consent of the Puerto Ricans and with little training no positive measures were taken to improve the poor economy little thought was given and no formal policy established to resolve its status or foster self government The Puerto Ricans in America Ronald J. Larsen, 1989 A brief history of Puerto Rico Puerto Rican immigration to the mainland and the individual contributions of Puerto Ricans to American life and culture **The Emigration Dialectic** Manuel Maldonado-Denis, 1980 Puerto Rico and the US A study that explores the economic and political consequences of Puerto Rican emigration to the US 168 pp Bibliography 1980
