Historical Perspectives on Puerto Rican Survival in the U.S. Clara E. Rodriguez, 1996 The book continues to resonate with readers in part because it mirrors the experiences of other groups both past and more recent immigrant groups and in part because when the authors wrote their essays they spoke honestly about issues they cared about but others tended to ignore As the editors new introductions to each article indicate the anthology has also served as a spring from which other works have developed *Children of Color* Hiram E. Fitzgerald, Barry M. Lester, 2019-09-16 By the year 2050 the population of the United States is projected to be approximately half white and half non white Yet the knowledge of child development within ethnic minority groups lags markedly behind knowledge of child development for white Americans and it is increasingly clear that the rich diversity within minority groups is masked by studies focusing on between group comparisons Children of Color Research Health and Public Policy Issues a collection of original essays brings together researchers from the fields of education family and child ecology nursing psychology sociology pediatrics anthropology and social work to explore the rich cultural familial and individual diversity of all ethnic minority groups The essays were generated by round table discussions sponsored by the Society for Research in Child Development and the Irving Harris Foundation and they cover a broad range of topics including immigration policy social policy health status of immigrant infants children and families and educational policies related to minority children Transcultural Nursing Joyce Newman
