Punishment and Reformation Frederick Howard Wines,2015-06-02 Excerpt from *Punishment and Reformation A Study of the Penitentiary System* To revise another man s book is like taking his place before a half finished portrait at the easel or wresting the conductor s wand from his hand while the orchestra is still playing the andante In each instance the interloper is likely to be the only person who gets any enjoyment from the change A book that deals chiefly with facts and deductions from facts however like the present one lends itself more readily to posthumous mutilation of this kind than does say a volume of poems or the diary of a man s life One hardly cares to have another person voice his joy at the stars or the sunrise or dress up an account of his life to suit himself Facts however are impersonal and may be rearranged and added to with impunity There are two ways of revising a book One is to begin at the first page and go through to the last meticulously scanning each sentence toning down a generalization here enlarging one there and adding footnotes wherever the spirit moves and new information warrants This may be called the mosaic or crazy quilt method The other is to omit from the original in chunks whatever is unessential or out of date and then at the end to pile the Ossa of new material upon the Pelion of old This may be called the Procrustean method About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Punishment and Reformation* Frederick Howard Wines,2025-05-22 *Punishment and Reformation An Historical Sketch of the Rise of the Penitentiary System* by Frederick Howard Wines provides a detailed exploration of the evolution of penal systems Wines traces the historical development of punishment examining the social and philosophical underpinnings of various methods of incarceration and

reform This book offers insights into the transition from traditional forms of punishment to the penitentiary system highlighting the key figures and movements that shaped modern correctional practices Wines work is essential reading for anyone interested in understanding the historical context of criminal justice and the ongoing debates surrounding punishment and rehabilitation It offers a valuable perspective on the complex interplay between law society and the treatment of offenders This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
