Ritual, Religion, and Performing Objects Claudia Orenstein,Tim Cusack,2024-10-17 This anthology of essays a companion to Puppet and Spirit Ritual Religion and Performing Objects Volume I aims to explore the many types of

relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet s troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet s continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives *Puppetry Handbook for Christian Leaders* TERRY PRICE, 2006-07-26 This illustrated 48 page book is designed for those who want to start a puppet ministry or for those who want to enhance their existing ministry It is full of ideas that have been tested for many years and is designed for the trainer or puppeteer to use It contains ideas on how to build your own puppet stage how to start a ministry history of puppetry how to train and evaluate potential puppeteers how to brush up on their skills Included are three professionally written skits about repentance and two different song sheets that compliment perfectly with the plays One song sheet is from the popular hymnal song Leave It There and the other song is written by the author titled Backslider Blues

The Christian Conjuror Magazine ,2001 **Children's Ministry that Works!** Jolene L. Roehlkepartain,1991 The Conspiracy Monsignor William McCarthy,2010-08-18 The Conspiracy chronicles the monumental struggles of an innocent priest Monsignor William McCarthy falsely accused in 2003 of molesting two young sisters more than 23 years earlier On the eve of his retirement from a stellar career as a priest and pastor for the next five tortuous years he was the victim of an anonymous complaint that was accepted as true by his bishop and friend of 40 years Share his travails and see how ones faith can overcome the worst injustices that man can heap on a holy and totally innocent person Jack Kraft Esq Monsignor William McCarthy paints a picture embracing a situation that is almost impossible to comprehend Had I not stood by him throughout the years of pure hell he experienced I would not have believed the outright calumny by a detective and how the subsequent action of his bishop and diocesan staff could have occurred Child abuse is a terrible thing but equally horrible is when innocent priests are unjustly condemned and destroyed by the hierarchy of their church Arthur N Hoagland M D This book is a must read for any Catholic who loves their Church but is concerned about its often self destructive response to the tragedy of clerical pedophilia It is story about tragedy and triumph The tragedy of the Church that Monsignor McCarthy loves deeply and into which he has selflessly devoted his entire life but is sometimes governed by people who have lost all

sense of justice It is a Church that betrayed him In its attempt to protect the victims of child abuse it established a new category of victims its faithful priests The triumph of Monsignor McCarthy is his faith and love of Jesus which saw him through his terrible ordeal in spite of the evil that was perpetrated against him Deacon Joseph Keenan
