Puppy Victoriana Borders Press, Longmeadow Press, 1992-11-01 Poems and Victorian style pictures about dogs are featured on die cut board pages Strange Victoriana Jan Bondeson, 2016-08-15 Meet the Victorians in their strangest forms Victorian Theatricals Sara Hudson, 2014-01-03 A captivating study of the plays literature and writings about private and public theatrical spectacle during the Victorian Age By the 1890s the British theatre had transformed itself into a world where spectacles and public shows were aimed at the widest audience possible The theatre had become big business This anthology brings together a variety of plays and prose which sets this phenomenon in perspective and traces the development of Victorian theatricals from private home events in the late Georgian period to full scale Gilbert and Sullivan operettas in the 1890s The section Theatrical Behaviour looks at the world of the audience and includes extracts from Jane Austen's novel Mansfield Park Thackeray's Vanity Fair an anonymous playlet called Acting Proverbs and an extract from Marie Corelli's novel Sorrows of Satan In Fun and Freaks we explore the world of popular sensationalist entertainment through the eyes of Dickens Thomas Hardy Dion Boucicault and others In the final section Society we have the scripts for four principal melodramas and serious plays of the age The Factory Lad by John Walker Society by T W Robertson The Mikado by W S Gilbert and The Second Mrs Tanqueray by Arthur Wing Pinero Animals in Victorian Literature and Culture Laurence W. Mazzeno, Ronald D. Morrison, 2017-02-20 This collection includes twelve provocative essays from a diverse group of international scholars who utilize a range of interdisciplinary approaches to analyze real and representational animals that stand out as culturally significant to Victorian literature and culture Essays focus on a wide range of canonical and non canonical Victorian writers including Charles Dickens Anthony Trollope Anna Sewell Emily Bronte James Thomson Christina Rossetti and Richard Marsh and they focus on a diverse array of forms fiction poetry journalism and letters These essays consider a wide range of cultural attitudes and literary treatments of animals in the Victorian Age including the development of the animal protection movement the importation of animals from the expanding Empire the acclimatization of British animals in other countries and the problems associated with increasing pet ownership The collection also includes an Introduction co written by the editors and Suggestions for Further Study and will prove of interest to scholars and students across the multiple disciplines which comprise Animal Studies **The Victorian Jubilee Book** Garnet Walch, 1887 **Crime Control and Everyday Life in the Victorian City** David Churchill, 2017 The history of modern crime control is usually presented as a narrative of how the state wrested control over the governance of crime from the civilian public Most accounts trace the decline of a participatory discretionary culture of crime control in the early modern era and its replacement by a centralized bureaucratic system of responding to offending The formation of the new professional police forces in the nineteenth century is central to this narrative henceforth it is claimed the priorities of criminal justice were to be set by the state as ordinary people lost what authority they had once exercised over dealing with

offenders This book challenges this established view and presents a fundamental reinterpretation of changes to crime control in the age of the new police It breaks new ground by providing a highly detailed empirical analysis of everyday crime control in Victorian provincial cities revealing the tremendous activity which ordinary people displayed in responding to crime alongside a rich survey of police organization and policing in practice With unique conceptual clarity it seeks to reorient modern criminal justice history away from its established preoccupation with state systems of policing and punishment and move towards a more nuanced analysis of the governance of crime More widely the book provides a unique and valuable vantage point from which to rethink the role of civil society and the state in modern governance the nature of agency and authority in Victorian England and the historical antecedents of pluralized modes of crime control which characterize contemporary society
