Purchased Wife:

The purchased wife Michelle Reid, 2005 *The Sexes in Science and History* Eliza Burt Gamble, 2023-06-20
Reproduction of the original *Slave-Wives, Single Women and "Bastards" in the Ancient Greek World* Morris Silver, 2018-01-31
Greek scholars have produced a vast body of evidence bearing on nuptial practices that has yet to be mined by a professional economist. By standing on their shoulders, the author proposes and tests radically new interpretations of three important status groups in Greek history: the *pallak*, the *nothos*, and the *hetaira*. It is argued that legitimate marriage, marriage by loan of the bride to the groom, was not the only form of legal marriage in classical Athens and the ancient Greek world generally. *Pallakia*, marriage by sale of the bride to the groom, was also legally recognized. The *pallak* wifeship transaction is a sale into slavery with a restrictive covenant mandating the employment of the sold woman as a wife. In this highly original and challenging new book, economist Morris Silver proposes and tests the hypothesis that the likelihood of bride sale rises with increases in the distance between the ancestral residence of the groom and the father's household. *Nothoi*, the bastard children of *pallakai*, lacked the legal right to inherit from their fathers but were routinely eligible for Athenian citizenship. It is argued that the basic social meaning of *hetaira*, companion, is not prostitute or courtesan but single woman, a woman legally recognized as being under her own authority, *kuria*. The defensive adaptation of single women is reflected in Greek myth and social practice by their grouping into packs, most famously the *Daniads* and *Amazons*. *Moving for Marriage* Shruti Chaudhry, 2021-10-01
Shortlisted for the 2023 BASAS Book Prize presented by British Association for South Asian Studies. Based on ethnographic fieldwork in a village in the north Indian state of Uttar Pradesh, *Moving for Marriage* compares the lived experiences of women in regional marriages that conform to caste and community norms within a relatively short distance with women in cross-regional marriages that traverse caste, linguistic, and state boundaries and entail long-distance migration within India. By demonstrating how geographic distance and regional origins make a difference in these women's experiences, Shruti Chaudhry challenges stereotypes and moral panics about cross-regional brides who are brought from far away. Indeed, *Moving for Marriage* highlights the ways in which the post-marital experiences of both categories of wives in this study—their work and social relationships, their sexual lives and childbearing decisions, and their ability to access support in everyday contexts and in the event of marital distress—are shaped by factors such as caste, class, poverty, religion, and stage in the life course. In focusing on this Global South context, Chaudhry makes novel arguments about the development of intimacy within marriages that are inherently unequal and even violent, thereby offering an alternative to Euro-American understandings of intimacy and women's agency. ***A Handbook for Travellers in Central Italy ...: Rome and its environs*** John Murray (Firm), Octavian Blewitt, 1853 *The Complete Folktales of A. N. Afanas'ev, Volume II* Jack V. Haney, 2015-10-06
Up to now, there has been no complete English language version of the Russian folktales of A. N. Afanas'ev. This translation is based on L. G. Barag and N. V. Novikov's edition, widely regarded as the authoritative Russian language

edition The present edition includes commentaries to each tale as well as its international classification number This second volume of 140 tales continues the work started in Volume I also published by University Press of Mississippi A third planned volume will complete the first English language set The folktales of A N Afanas ev represent the largest single collection of folktales in any European language and perhaps in the world Widely regarded as the Russian Grimm Afanas ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages Byelorussian Russian and Ukrainian The result of his own collecting the collecting of friends and correspondents and in a few cases his publishing of works from earlier and forgotten collections is truly phenomenal In his lifetime Afanas ev published more than 575 tales in his most popular and best known work Narodnye russkie skazki In addition to this basic collection he prepared a volume of Russian legends many on religious themes a collection of mildly obscene tales Russkie zavetnye skazki and voluminous writings on Slavic folk life and mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union in the 1990s Overwhelmingly his particular emendations were stylistic while those of the censors mostly concerned content The censored tales are generally not included in this volume
