Purchasing Selection And Procurement For The Hospitality Industry:

Purchasing Andrew H. Feinstein, Jean L. Hertzman, John M. Stefanelli, 2017-04-03 Purchasing Selection and Procurement for the Hospitality Industry 9th Edition is a learning centered text that includes several pedagogical enhancements to help students quickly acquire and retain important information. It is written for those who will be involved with some phase of purchasing throughout their hospitality careers. This text covers product information as well as management of the purchasing function and how this relates to a successful operation. It also acts as a comprehensive reference guide to the selection and procurement functions within the hospitality industry. Purchasing Selection and Procurement for the Hospitality Industry is the comprehensive and up to date hospitality purchasing text available today. **Purchasing** Andrew Hale Feinstein, John M. Stefanelli, 2017 **Purchasing** John M. Stefanelli, 1991-10 The updated edition of the classic text on selection and procurement. For more than a decade Purchasing Selection and Procurement for the Hospitality Industry has set the standard for how the principles and practice of purchasing have been taught at universities, colleges, and culinary schools. Now in its Fifth Edition, this cornerstone volume has been revised to address the latest technological tools used in the industry today. The new lead author of this latest edition has maintained the exceptional coverage that has made this book an industry standard, giving in depth attention to ordering procedures, distribution systems, supplier channels, price and payment, storage and security, and specifications for food and nonfood items such as furniture, fixtures, and equipment. In addition, every chapter has been supplemented with technology applications to help readers become savvy with industry programs. This book also features a companion Web site that connects readers to professional purchasing sites in order to develop real world skills. Chapters on produce, dairy, eggs, poultry, fish, meat, beverages, and other products have been updated to include current trends. Purchasing is important reading for students in hospitality, restaurant management, or culinary arts programs and is an easy to use guide for professionals working in foodservice or lodging operations who conduct training courses on purchasing goods and hospitality services. **Purchasing** Andrew H. Feinstein, John M. Stefanelli, 2007-10-05 Essential information from a manager's perspective, revised for today's industry. Within any hospitality business, the purchasing function underlies every aspect of the operation. Even if they are not purchasing agents, hospitality managers must have a firm grasp of purchasing principles in order to run a successful operation. Purchasing Selection and Procurement for the Hospitality Industry Seventh Edition offers a revised and updated edition of the foundational resource for this crucial area. The Seventh Edition of this classic book features in depth coverage throughout of the latest purchasing technology applications. The most current standards and trends in all areas of purchasing food, furniture, fixtures, and equipment. Discussions and interviews with industry executives on how purchasing affects their business. A new full color interior design filled with vibrant color photographs. Questions, problems, experiential exercises, glossary, Web site links, and other practical features. The Seventh Edition covers not only the latest purchasing techniques and practices but also provides comprehensive

coverage of the timeless principles of this essential topic From the first steps of selection to receiving storing and managing goods and services Purchasing Seventh Edition is essential reading for anyone starting or developing a career in hospitality management Purchasing Feinstein,2004-11-01 **Purchasing** Andrew H.
