Pure Freedom Mentors Guide Cleveland Mike,2002-11-01 James Clagen,2006-05-01 What has the world called you in the past What beliefs do you hold about yourself Do you view yourself in light of what you did in the past Is it possible that what you believe could be wrong This is a true story about a person who committed a sex crime It is also a story about restoration by the grace of God This book could very well change your life forever and change how you view other people It is full of the author s closet of skeletons and reveals how to remove them from your own life It touches on addictions of all sorts and the way to overcome them It also talks about how this world deals with people that they don t understand And you shall know the truth and the truth shall make you free John 8 32 NKJV **Newsmax.com** ,2002-12 **King Me** Steve Farrar,2006-02-01 Using kings of the Old Testament as character studies Steve Farrar examines the critical role a father plays in preparing his son to become a godly man What separated the good kings from the bad kings was a father who made time commitments to mentor his son by modeling biblical manhood Do you want your son to become a man of regal character Then this book is for you **Retrieving Experience** Sonia Kruks,2018-09-05 In Retrieving Experience Sonia Kruks engages critically with the postmodern turn in feminist and social theory She contends that although postmodern analyses yield important insights about the place of discourse in constituting subjectivity they lack the ability to examine how experience often exceeds the limits of discourse To address this lack and explain why it matters for feminist politics Kruks retrieves and employs aspects of postwar French existential theory a tradition that she argues postmodernism has obscured by militantly rejecting its own genealogy Kruks seeks to refocus our attention on the importance for feminism of embodied and lived experiences Through her original readings of Simone de Beauvoir and other existential thinkers including Sartre Fanon and Merleau Ponty and her own analyses inspired by their work Kruks sheds new light on central problems in feminist theory and politics These include debates about subjectivity and individual agency questions about recognition and identity politics and discussion of whether embodied experiences may sometimes facilitate solidarity among groups of different women [The Mentor](#) ,1918 *Faculty Peer Group Mentoring in Higher Education* Thomas de Lange,Line Wittek,2023-08-26 This book addresses how peer group mentoring in higher education can contribute to the development of supportive and collaborative working environments for faculty staff It draws on an extensive empirical study examining how group based peer mentoring methods are implemented and experimented within four different academic communities at one university and documents how these environments and their participants experience peer group mentoring as a collaborative measure in the development of teaching and supervision practices The book presents a literature review of research on peer group mentoring in higher education and provides the conceptual grounding for the book placing peer group mentoring within the field of faculty development The work presents analyses of the enactment of peer group mentoring in different environments and of faculty peers engagement and collaboration with colleagues within the same teacher community across teaching and
