Pure Kingdom Jesus Vision Of God:

Pure Kingdom Bruce Chilton,1996 In this book Chilton sets out to discover what Jesus meant by the Kingdom of God on earth Starting with a critique of how others have tried to interpret the kingdom of God he argues that the Gospel texts themselves reveal the truth about Jesus central message Pure Kingdom Bruce Chilton,1996 Bruce Chilton focuses on Jesus teaching of the kingdom in this volume part of the Studying the Historical Jesus series a series devoted to exploring key questions concerning the historical Jesus within recent scholarly discussion *God's Rule* Suzanne Neusner,2003-05-06 Resisting the tendency to separate the study of religion and politics editor Jacob Neusner pulls together a collection of ten essays in which various authors explain and explore the relationship between the world s major religions and political power As William Scott Green writes in the introduction Because religion is so comprehensive it is fundamentally about power it therefore cannot avoid politics Beginning with the classical sources and texts of Judaism Christianity Buddhism Islam Confucianism and Hinduism *God s Rule* begins to explore the complex nature of how each religion shapes political power and how religion shapes itself in relation to that power The corresponding attention to differing theories of politics and views towards non believers are important not only to studies in comparative religion but to foreign policy history and governance as well From early Christianity s relationship to the Roman Empire to Hinduism s relationship to Gandhi and the caste system *God s Rule* provides a basis of understanding from which undergraduates seminarians and others can begin asking questions of relationships both unavoidable and systematically uneasy Jesus the God-Man Darrell L. Bock,Benjamin I. Simpson,2016-06-21 What the Gospels Tell Us about Who Jesus Is This clear compact introduction surveys what the Gospels tell us about who Jesus is by exploring his teachings and actions in their contexts Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson treat the Gospels as reliable sources for a plausible portrait of Jesus Condensing years of extensive study on the topic this handy readable textbook presents fresh ways to understand the Gospels especially the Synoptics in comparison with John **God in the World** Jacob Neusner,Bruce D. Chilton,2004-04-08 The authors address the issue of God in this world which in the classical documents of formative Judaism encompasses the diverse ways in which we meet God in the here and now The counterpart in Christianity is meeting God in the incarnation of Jesus Christ As heirs to the common scripture of ancient Israel both Judaism and Christianity identify humanity as the worldly image of God The two traditions concur that since we are made in God s image we see God in the face of one another The conception of incarnation is therefore as Judaic as it is Christian The point of difference between the two becomes clear when we ask how incarnation is realized This book is the final volume in a trilogy Previously published volumes include *Revelation The Torah and the Bible* and *The Body of Faith Israel and the Church* *Jewish and Christian Doctrines* Bruce Chilton,Jacob Neusner,2002-01-22 *Jewish and Christian Doctrines* presents a concise and lucid introduction to the foundations of Judaism and Christianity The authors explore key documents of Judaism

and Christianity to elucidate and illuminate the doctrinal issues which the documents raise and to examine the similarities and differences between the two faiths

Subversive Meals Streett R Alan, 2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely

Criteria for Authenticity in Historical-Jesus Research Stanley E. Porter, 2004-12-10 Historical Jesus research continues to captivate the interests of scholars Recently there has been renewed discussion of the criteria for authenticity This study traces the history of this type of research especially in terms of authenticity criteria

The Multinational Kingdom in Isaiah Andrew H. Kim, 2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God's dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In *The Multinational Kingdom in Isaiah* Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions

Types of Authority in Formative Christianity and Judaism Bruce Chilton, Jacob Neusner, 2002-01-22 Bruce Chilton and Jacob Neusner study the points of comparisons and contrast between formative Christianity and Judaism By identifying three categories of authority in each of the two religious worlds they show how they have both worked in compelling or failing to get someone to do a given action The arguments are introduced by a general discussion of the founding figures of the two religions Moses and Jesus and how their inherent authority distilled itself through the structure of their religious institutions and intellectual thoughts
