Kellogg, 2010-08-16 Christian Encounters a series of biographies from Thomas Nelson Publishers highlights important lives from all ages and areas of the Church Some are familiar faces Others are unexpected guests But all through their relationships struggles prayers and desires uniquely illuminate our shared experience When she arrived in the New World at eighteen Anne Bradstreet was a reluctant passenger her old comfortable lifestyle in England was quickly dashed against the rocks of the Massachusetts Bay While the wilderness of America and the drama of establishing the Massachusetts Bay Colony at times overwhelmed her she always took refuge in the belief that it was God's plan Anne respected the Puritan

teachings and followed them her entire life always searching for God's hand in everything around her. But she also was inspired by a strong female leader of the day, Queen Elizabeth, and this influence taught Anne to push herself beyond the day's limitations. She managed her home, educated her children, encouraged her husband, and sought her Lord all with a poet's heart.

Becoming Wollstonecraft Brenda Ayres, 2024-04-09 *Becoming Wollstonecraft: The Interconnection of Her Life and Works* draws from biography to explain her works and it analyses the works to draw a biographical composite of Wollstonecraft. *Becoming Wollstonecraft* will be more fully developed than previous works with added information that has not previously been associated with Wollstonecraft, such as the story of Reverend Mr Joshua Waterhouse. Although there are over fifty book-length biographies published on Wollstonecraft, very few agree on much about Wollstonecraft. She seems to have become an everywoman or a figure unfixed in time and protean. Deemed the Mother of Feminism like feminism itself, she is what people have wanted her to be and is by no means an immutable or universal personage. A study of her life as evident by her works and vice versa, this monograph intends to refocus the image of Wollstonecraft for students and scholars informed by biographical texts on Wollstonecraft and on those people in Wollstonecraft's life and acquaintance, historical context, and exposition from her works.

How to Finish the Christian Life Donald Sweeting, George Sweeting, 2012-01-20 Thrive as a Christian regardless of your age. Dr. George Sweeting's *How to Begin the Christian Life* revealed a plan for success in starting new lives of purpose in pursuit of Christ. Now he and his son Donald Sweeting present *How to Finish the Christian Life*, a guide that gives mature believers a new set of disciplines and encouraging truths to help them finish well. Retirement from a career should never be mistaken for an absence of purpose. On the foundation of his own ministry that continues to thrive, Dr. Sweeting and his son deliver an inspiring message that the end of the believer's journey is not a matter of dying but a challenge to live to the fullest to the glory of God. When it comes to the life of a true follower of Christ, there is only one way to finish strong.

The Puritan Family Edmund S. Morgan, In this insightful exploration of early American family life, renowned historian Edmund S. Morgan reveals the complex dynamics and values that shaped Puritan households in colonial New England. *The Puritan Family* offers a fascinating glimpse into the intimate world of these early settlers, shedding light on their religious beliefs, gender roles, child-rearing practices, and the broader social structure of their communities. Through meticulous research and engaging prose, Morgan challenges preconceived notions and provides a nuanced understanding of the Puritan family's influence on the development of American society.

The Last American Puritan Michael G. Hall, 2012-01-01 Powerful preacher, political negotiator for New England in the halls of Parliament, president of Harvard, father of Cotton Mather. Increase Mather was the epitome of the American Puritan. He was the most important spokesman of his generation for Congregationalism and became the last American Puritan of consequence as the seventeenth century ended. The story begins in 1639 when Mather was born in the Massachusetts village of Dorchester. He left home for Harvard College when he was twelve and at twenty-two began to stir the city of Boston from the pulpit of North Church. He

had written four books by the time he was thirty two Certain he was God s chosen instrument and New England God s chosen people he disciplined mind and spirit in service to them both Tempted to Atheisme and unbelief afflicted early by nightmares and melancholy then by hope and joy he was a pioneer in recognizing the excitement of the new sciences and sought to reconcile them to theology This well wrought biography the first of Increase Mather in forty years draws on the extensive Mather diaries which were transcribed by Michael Hall
