

THE PURITANS

Puritan Christianity In America

Allen Carden

Puritan Christianity In America:

Puritan Christianity in America Allen Carden,1990 A History of Christianity in the United States and Canada Mark A. Noll,1992-08-11 Author Mark Noll presents the unfolding drama of American Christianity with accuracy and skill from the first European settlements to ecumenism in the late 20th Century This work has become a standard in the field of North American religious history *The Puritans in America* Alan Heimert,Andrew Delbanco,2009-07-01 In a felicitous blend of documents and narrative Heimert and Delbanco recapture the sweep and restless change of Puritan thought from its incipient Americanism through its dominance in New England society to its fragmentation in the face of dissent from within and without **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation Hot Protestants Michael P. Winship,2019-02-26 The rise and fall of transatlantic puritanism is told through political theological and personal conflict in this exceptional history Publishers Weekly starred review Begun in the mid sixteenth century by Protestant nonconformists keen to reform England s church and society while saving their own souls the puritan movement was a major catalyst in the great cultural changes that transformed the early modern world Providing a uniquely broad transatlantic perspective this groundbreaking volume traces puritanism s tumultuous history from its initial attempts to reshape the Church of England to its establishment of godly republics in both England and America and its demise at the end of the seventeenth century Shedding new light on puritans whose impact was far reaching as well as on those who left only limited traces behind them Michael Winship delineates puritanism s triumphs and tribulations and shows how the puritan project of creating reformed churches working closely with intolerant godly governments evolved and broke down over time in response to changing geographical political and religious exigencies Among the fairest and most readable accounts of the glorious failure that was trans Atlantic Puritanism The Wall Street Journal Exhilarating popular history convincingly captures in one bold retelling

decades of scholarship on Puritanism's origins, developments, and characteristics. *Times Literary Supplement* Winship has established himself as a leading authority on the history of the Puritans. While many works have focused on a specific aspect of Puritan history, there are fewer works that show Puritanism as a multinational movement in Europe and the Americas. This book fills those gaps. *Library Journal* A Choice Outstanding Academic Title

Christian Fundamentalism in America David S. New, 2014-01-10 Today the United States is plagued with cultural and political polarization: the Reds and the Blues. Because religion has been of great significance in America right from the first colonists who believed themselves to be God's chosen nation, it is not surprising that religion constitutes the basis of today's dichotomy. The recent resurgence of Christian fundamentalism is significant for the future of America as a nation under God. This book examines the history of conservative American Christianity as it interacts with liberal beliefs. With the Enlightenment, the Puritan sense of mission faded but was rekindled with the Great Awakening. This religious movement unified the colonies and provided an animating ideal which led to revolution against Britain. But soon after the forces of liberalism made inroads and the seeds of division were planted. This balanced account favors neither conservative nor liberal. It is history with a human touch, emphasizing personalities from Jonathan Edwards and William Jennings Bryan to David Koresh and Jim Jones.

Inventing a Christian America Steven K. Green, 2017-05 Steven K. Green explores the historical record that supports the popular belief about the nation's religious origins, seeking to explain how the ideas of America's religious founding and its status as a Christian nation became a leading narrative about the nation's collective identity.

Women and Religion in Early America, 1600-1850 Marilyn J. Westerkamp, 1999 In this contribution to the study of women and religion, Westerkamp analyzes how the Holy Spirit empowered women in Puritanism and evangelicalism; she argues that these women socially and politically subordinate according to custom and law experienced the Holy Spirit during their lives and discovered their own charismatic authority. Focusing on prominent women like Anne Hutchinson, J. Lee, and N. Towle, Westerkamp explores the interactions between gender and religion in Puritanism, the First Great Awakening, Methodism, and voluntary associations.

Puritanism Francis J. Bremer, 2009-07-24 Written by a leading expert on the Puritans, this brief informative volume offers a wealth of background on this key religious movement. This book traces the shaping, triumph, and decline of the Puritan world while also examining the role of religion in the shaping of American society and the role of the Puritan legacy in American history.

Christianity and American Democracy Hugh Heclo, 2009-07-01 Exploring the tension at the heart of America's culture wars, this is a very fine book on a very important subject. Mark A. Noll, author of *The Civil War as a Theological Crisis*: Christianity, not religion in general, has been important for American democracy. With this bold thesis, Hugh Heclo offers a panoramic view of how Christianity and democracy have shaped each other. Heclo shows that amid deeply felt religious differences, a Protestant colonial society gradually convinced itself of the truly Christian reasons for, as well as the enlightened political advantages of, religious liberty. By the mid-twentieth century, American democracy and Christianity appeared locked in a mutual embrace.

But it was a problematic union vulnerable to fundamental challenge in the Sixties. Despite the subsequent rise of the religious right and glib talk of a conservative Republican theocracy, Heclo sees a longer term reciprocal estrangement between Christianity and American democracy. Responding to his challenging argument, Mary Jo Bane, Michael Kazin, and Alan Wolfe criticize, qualify, and amend it. Heclo's rejoinder suggests why both secularists and Christians should worry about a coming rupture between the Christian and democratic faiths. The result is a lively debate about a momentous tension in American public life.

Puritan Christianity In America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Puritan Christianity In America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Puritan Christianity In America has opened up a world of possibilities. Downloading Puritan Christianity In America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Puritan Christianity In America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Puritan Christianity In America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Puritan Christianity In America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Puritan Christianity In America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Puritan Christianity In America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Puritan Christianity In America Books

1. Where can I buy Puritan Christianity In America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Puritan Christianity In America book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
