

A Puritan Moment of Hypocrisy:

- ▶ Though the Puritans fled England to seek religious freedom, what did they do to people who did not follow their specific beliefs?
 - ▶ They were exiled (kicked out) from the colony!
- ▶ **Roger Williams** arrived to the Americas as a Puritan, but he believed in a **“separation of church and state.”** This was the idea that religion and government should not be mixed and that all religions should be respected equally under the law.
- ▶ When he was kicked out of Massachusetts, Williams started his own colony—Rhode Island!

Puritan Moment

Charles Pastoor, Galen K. Johnson

Puritan Moment:

The Puritan Ideology of Mobility Scott McDermott, 2022-02-01 The Puritan Ideology of Mobility Corporatism the Politics of Place and the Founding of New England Towns before 1650 examines the ideology that English Puritans developed to justify migration their migration from England to New England migrations from one town to another within New England and often their repatriation to the mother country Puritan leaders believed firmly that nations colonies and towns were all bodies politic that is living and organic social bodies However if a social body became distempered because of scarce resources or political or religious discord it became necessary to create a new social body from the old in order to restore balance and harmony The new social body was articulated through the social ritual of land distribution according to Aristotelian distributive justice The book will trace this process at work in the founding of Ipswich and its satellite town in Massachusetts

The Puritan Tradition in America, 1620-1730 Alden T. Vaughan, 1972 A classic documentary collection on New England's Puritan roots is once again available with new material

The Puritan Ordeal Andrew Delbanco, 2009-07-01 More than an ecclesiastical or political history this book is a vivid description of the earliest American immigrant experience It depicts the dramatic tale of the seventeenth century newcomers to our shores as they were drawn and pushed to make their way in an unsettled and unsettling world

The Puritan Moment William Hunt, 1983

The A to Z of the Puritans Charles Pastoor, Galen K. Johnson, 2009-09-28 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The A to Z of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events

The Puritans David D. Hall, 2021-04-06 Shedding critical new light on the diverse forms of Puritan belief and practice in England Scotland and New England Hall provides a multifaceted account of a cultural movement that judged the Protestant reforms of Elizabeth's reign to be unfinished Provided by publisher

Puritanism and Its Discontents Laura Lunger Knoppers, 2003 By tracing core discontents the essays restore the anxiety ridden radical nature of Puritanism helping to account for its force in the seventeenth century and the popular and scholarly interest that it continues to evoke Innovative and challenging in scope and argument the volume should be of interest to scholars of early modern British and American history literature culture and religion

BOOK JACKET

English Puritanism John Spurr, 1998-08-26 The Puritans of seventeenth century England have been blamed for everything from the English civil war to the rise of capitalism But who were the Puritans of Stuart England Were they apostles of liberty who fled from persecution

to the New World Or were they intolerant fanatics intent on bringing godliness to Stuart England This study provides a clear narrative of the rise and fall of the Puritans across the troubled seventeenth century Their story is placed in context by analytical chapters which describe what the Puritans believed and how they organised their religious and social life Quoting many contemporary sources including diaries plays and sermons this is a vivid and comprehensible account drawing on the most recent scholarship Readers will find this book an indispensable guide not only to the religious history of seventeenth century England but also to its political and social history *Hartford Puritanism* Baird Tipson, 2015-02-25 Hartford Puritanism argues for a new paradigm of New England Puritanism one where Hartford s founding ministers Thomas Hooker and Samuel Stone both fully embraced and even harshened Calvin s double predestination *Historical Dictionary of the Puritans* Charles Pastoor, Galen K. Johnson, 2007-06-12 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The Historical Dictionary of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events
