GOD HAS MORE FOR YOU More power More purpose More presence God has more for you More than the hollow entertainment empty platitudes and fleeting hype that this age offers He has a deeper power a greater purpose and a more profound presence waiting to be released in your life The Holy Spirit an often overlooked neglected and ignored cornerstone of our faith is now poised to reveal Himself in ways you've never imagined He's more than the book of Acts He's the living fire and breath of God ready to burn into chaff all complacency and ignite a revival of biblical proportion in your life Pastor Rod Parsley a leading voice of Pentecost for our generation has spent over 50 years cultivating world changers who are passionate about preserving protecting and promoting the flame of the Holy Spirit He has sparked a global movement calling believers to return to the raw power and transformative presence of Pentecost In Pentecost If Pastor Parsley takes you on a prophetic journey from the upper room in Acts 2 through the flames of Azusa Street to the embers waiting to ignite today With fresh insight and anointing you'll discover How to experience the Holy Spirit's presence in unlimited measure The historical and prophetic significance of Pentecost from Acts 2 to Azusa Street Strategies to cultivate a personal revival that spreads to your community and beyond Powerful testimonies of lives transformed by the fire of the Holy Spirit Practical steps to embrace your role in the next great move of God The Holy Spirit wants to fan the flames of your heart setting you ablaze with a fire that will transform your life your family and the world around you Are you ready The Holy Spirit is Let the fire fall

The 49 Purposes of the Christian Church Bishop Earnest L. Palmer, 2017-02-06 The Christian Church has transformed itself many times since its tenets took root and after the mostly violent deaths of the original apostles Consequently the contemporary church may resemble the original intent of its apostolic fathers only slightly and may have subsequently assumed an identity and life of its own The original footprint of the first century church could not easily fit the church as it has evolved after coming through reformations denominations attacks by rival religions and the tactics and tenets of Christian zealots theological debates and fairly exhaustive apologetics The intent of this book is to navigate the reader through the murky waters of theological distortions and religious bias to the calmer and clearer seas of divine intent and purpose The 49 Purposes of the Christian Church is not a comprehensive treatise on the purposeful design of the Christian Church from any denominational bias or perspective however it does lend itself to the basics of evangelism and congregational order as defined or implied in New Testament scripture Bishop Earnest L Palmer *Achieving Apostolic Community* David Alley, There was more to the day of Pentecost than the giving of spiritual gifts The real gift was that a group of people were changed from being separate to being one they received community Such a corporate experience can happen today to you and your church A new command I give you Love one another As I have loved you so you must love one another 35 By this everyone will know that you are my disciples if you love one another How do you take a group of

Christians for whom the gospel and Christian life seems relatively powerless and infuse into them power to change them and their church You need genuine apostolic think early church community Not the type of community that you find in a monastery or among the amish but something that happens in the hearts of people This book describes such a thing and talks from both experience and scripture *A Biblical Theology of Missions* George W. Peters,1984-05-08 This exhaustive theology of missions focuses on theory and biblical mandates for missions as a vital part of theology George Peters a foremost missions authority considers both liberal and conservative views although his own stance is solidly evangelical **Pentecost Revisited** Jimmie L. Chapman,2010-06-14 The modern church has lost its Pentecostal power largely because it has abandoned its Pentecostal privilege In this book Pentecost Revisited author Jimmie L Chapman describes the possibilities for the church if she would return to her Pentecostal roots He also explains the church has abandoned her roots and has become steeped in materialistic and humanistic doctrines **The Faith Once for All** Jack Cottrell,2002 *Cultural Identity and the Purposes of God* Steven M. Bryan,2022-06-15 Understanding God s Design for Cultural Diversity Humanity s diverse nationalities ethnicities and races were intended to be a blessing from God However due to sin and rebellion these differences often result in alienation hatred and even violence becoming one of the most urgent problems facing the world Cultural divisions are unfortunately common in the church too How can Christians embrace God s purposes for diversity and experience renewal and unity as his people Steven Bryan presents a biblical framework for thinking about cultural identity and experiencing cultural diversity as a positive good that God intended Writing from more than 20 years of experience in cross cultural mission work in Ethiopia Bryan examines historical and political aspects of nationality ethnicity and race This practical examination of cultural ideologies including multiculturalism nationalism and intersectionality helps readers move from asking Who am I to Who are we as God s people Timely and Applicable Equips readers to understand God s purposes for their cultural identity and bridge divides inside and outside of the church Comprehensive Explores contemporary issues including ethnocentrism globalization multiculturalism and collective identity Theological Explores the story of Scripture from creation to new creation to show how cultural identity is an important part of God s design Accessible Written for pastors ministry leaders lay people missionaries and anyone who is grappling with the relationship between cultural identity and Christian identity *Scripting Pentecost* Mark J. Cartledge,A.J. Swoboda,2016-07-07 Scripting Pentecost explores and develops an analysis of worship and liturgy in Pentecostal and Charismatic traditions Organized into three main sections history theology and contemporary practice the first section quarries the historical trajectories of classic Pentecostalism the Charismatic movement Third Wave and Oneness Pentecostalism Particular attention is given to the liturgical approaches of some of the earliest leaders including William J Seymour Alexander Boddy and Aimee Semple McPherson The second section constructive theology offers theological approaches to liturgical studies from Pentecostal and Charismatic perspectives In this section the Pentecostal and Charismatic tradition is advanced and extended by an interaction with ecumenical sources

The third section case studies in contemporary worship theology and practice examines the actual performance of liturgy through selected global case studies chosen to reflect a diversity of ecclesial practice in Africa Asia Europe North America Latin America and Oceania
