British Government took the official view that the territory and its people were expendable It opposed for selfish economic reasons sovereign statehood for the territory in clear violation of the UN Charter and the norm of self determination It transferred the Southern Cameroons to a new colonial overlord and hurriedly left the territory The British Governments bad faith duplicity deception wheeling and dealing and betrayal of the people of the Southern Cameroons is incredible and defies good sense Ample evidence of this is provided by the declassified documents in this book Among the material are treaties concluded by Britain with Southern Cameroons coastal Kings and Chiefs and the boundary treaties of the Southern Cameroons treaties defining the frontiers with Nigeria to the west and the frontier with Cameroun Republic to the east The book contains documents that attest to the Southern Cameroons as a fully self governing country ready for sovereign statehood These include debates in the Southern Cameroons House of Assembly and the various Constitutions of the Southern Cameroons The book also reproduces British declassified documents on the Southern Cameroons covering the three critical years from 1959 to 1961 documents which speak to the inglorious stewardship of Great Britain in the Southern Cameroons This book removes lingering doubts in some quarters that the people of the Southern Cameroons were cheated of independence Its contents are further evidence of their inalienable right and sacred duty to assert their independence No one who reads this book can possibly be indifferent to the just struggle of the Southern Cameroons for sovereign statehood
