Secrets Of The Successful Student:

The Secrets of Successful Students Daniel G. Amen, 2005-02-01 *Secrets of Successful Students* is geared towards how to be the best in school whether you're an excellent student or someone who is struggling and wants to become more effective. This book teaches you how to recognize and change bad study habits, prepare for classes, decrease overall study time, organize your class work, your time, and yourself. It shows you how to choose the BEST study methods suited to YOUR personality and needs, get the most from lectures and your notes, memorize faster with longer retention, use a study partner to maximize your study efforts, and to also use teachers as your most valuable resource. With the help of this book, you can skillfully prepare for and take exams, improve writing and speaking skills. *Secrets of the Successful Student* Gordon D.

(Gordon David) Stein, 1991 **The Secrets of College Success** Lynn F. Jacobs, Jeremy S. Hyman, 2010-06-17 If you're currently a college student or plan on being one, you need to check out this book. Written by award-winning professors Lynn Jacobs and Jeremy Hyman, it's loaded with insider information that only professors know but few are willing to reveal. The over 600 tips in this book will show you how to pick good courses and avoid bad professors, how to develop college-level skills and habits that'll put you ahead of the pack, how to get through the freshman comp, math, language, and lab science requirements in one try, how to figure out what's going to be on the tests and what professors are looking for in papers and presentations, how to pick a major you'll really like and be good at, how to get the edge for graduate school or the inside track to a really good job, and much more. The tips are quick and easy to use, and the advice is friendly and supportive. It's as if you had your own personal professor guiding you on the path to college success. Secrets Of Successful Students Sam O Salau, 2018-04-01 Have you ever wondered why, after apparently satisfactory preparation for and performance at an examination, you still come out with poor grades? Do you find it difficult to settle down for serious study? Do you easily forget what you read? Do you belong to either the group of students who have problems with when, where, and how to read for utmost understanding, or the other group that is confused about what to do during lecture periods in order to enhance concentration and aid memory? Do you find it hard to cope with the atmosphere of the examination hall? Do you find it difficult even to account for your incessant failure? Then you need not go far. This book is all you need to answer every troubling question you have ever asked about your academics. **The Seven Secrets of Highly Successful Students** Ann Rodier
