Truth Revealed Brahmachary Syamananda, 1926 *The Mystery and the World* Maria Clara Bingemer, 2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment. The modern era is characterised by a major change in humanity's fundamental desires that means that reason has taken the place of faith. Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives. Bingemer examines this transition and how especially in the postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment. In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher power and that even in our world of instant satisfaction we still need to fill the void left by religion. Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence.

The Prayers and Tears of Jacques Derrida John D. Caputo, 1997-09-22 *The Prayer and Tears of Jacques Derrida* takes its point of departure from Derrida's more recent sometimes autobiographical writings and closely examines the religious motifs that have emerged in his later works. John D. Caputo's provocative interpretation of Derrida's thinking also makes an original contribution to the question of the relevance of deconstruction for religion. Caputo's Derrida is a man of faith who bridges Jewish and Christian

traditions The deep messianic apocalyptic and prophetic tones in Derrida s writings Caputo argues bespeak his broken covenant with Judaism Through its startling exploration of Derrida s impossible religion the book sheds light on the implications of deconstruction for an understanding of religion and faith today from back cover
