

A black and white photograph of a child lying in a hospital bed, looking out a window. The child is wearing a dark nightgown and is positioned in the center of the frame. The room is dimly lit, with light coming from the window. The child's face is visible, and they appear to be looking out the window. The overall mood is somber and contemplative.

Women and Punishment Pat Carlen, 2013-05-13 In the last decade there has been growing international concern about the increasing numbers of women in prison the effects that imprisonment has on their children the realisation that gaoled women have different criminal

profiles and rehabilitative needs to male prisoners and the seeming intractability of the associated problems In response there has been an overarching policy concern in many countries to fashion and co ordinate gender specific policies towards female offenders which aim both to slow down the rate of their offending and or imprisonment and also to engender flexible programmes which will reduce the time spent in custody and or away from their young children The major objective of this book is to describe and analyse contemporary opportunities for and barriers to both the reduction of female prison populations and the reduction of the pain of those women who continue to be imprisoned It assesses the most important recent attempts to reduce both women s imprisonment and the damage it does identifying and analyzing cross jurisdiction and gender specific lessons to be learned and the unexpected consequences of some of the reform strategies This book brings together leading scholars and practitioners in the field providing a critique of the reform initiatives which have taken place and a much needed theorization of cross national policy in this area It will be essential reading for all with an interest in prisons and prison reform

Children and Society Malcolm Hill, 2014-09-25 Provides a comprehensive overview of the issues research and debates relating to children and the experience of childhood in late twentieth century Britain This volume will address key issues such as juvenile crime poverty child protection and children s rights and their implications for the development of policy and services for children Presents first hand accounts from children and parents

Probation Round the World Koichi Hamai, Robert Harris, Mike Hough, Renaud Ville, Ugljesa Zvekic, 2005-06-29 Whilst they retain a recognisable common core probation systems round the world are enormously varied and many are in a state of rapid change Probation Round the World is a study of probation in ten countries ranging from the well resourced and heavily professionalised services of Britain and the old Commonwealth to the reliance on lay supervisors in Japan and the community based system which has recently been set up in Papua new Guinea Probation Round the World resulted from collaborative research conducted by the United Nations Interregional Crime and Justice Research Institute UNICRI and the British Home Office The first part of the book comprises a review of the development and convergence of probation within the Civil Law and Common Law traditions The second part describes the origins and functions of systems in the ten countries drawing out salient differences and similarities It will provide invaluable reading for students of criminal justice and criminology and for professionals working in probation management and government

Secure Treatment Outcomes Roger Bullock, Michael Little, Spencer Millham, 2022-03-23 First published in 1998 this volume recognises that despite the plethora of benign welfare approaches to troubled and troublesome adolescents a small proportion find themselves locked up Who are they why is it thought necessary to contain them and what effect does it have This Dartington study tries to answer these questions by scrutinising the lives of 204 young people admitted to long stay secure treatment units It charts their experiences from their point of entry until two years after they leave It also looks at equally difficult youngsters whose behaviour is dealt with in other ways With such a varied group it is difficult to be categorical about the value of security but by employing a career

perspective that takes account of the interaction between life routes and process the relationship between young people's background characteristics treatment and subsequent experience becomes clear In fact the research found considerable predictability amid the apparent chaos a feature that should help practitioners and managers to fashion more effective approaches Problem Girls Gwynedd Lloyd,2013-01-11 This book explores the issues surrounding girls and young women who are seen as troubled or troublesome It sets out to further our understanding of young women who face or cause difficulties offering a diverse and complex view Recognising the increasing importance of schools as the primary source of support for girls and young women the chapters discuss the implications for practice of teachers and other professionals covering important issues like girls classroom behaviour mental health problems violence and sexuality exclusion and community offences By presenting a range of theoretical perspectives readers of this book will be encouraged to reflect on what underpins the actions of girls and young women and take their voices seriously It will be essential reading for practitioners and professionals in Education as well as students and academics in the field **Children's Rights and**

Participation in Residential Care Carolyne Willow,1996-01-01 What rights do young people living in residential care have How can residential staff and managers implement the United Nations Convention on the Rights of the Child Why is participation important and how can adults help young people make decisions Where can young people get independent help and advice Children's Rights and Participation in Residential Care the first practical guide of its kind clearly addresses these and many other issues which were central to residential care in the 1990s Arising from a two year NCB project this informative book charts the role of young people in developing and improving residential services and provides a comprehensive summary of research into young people's experiences After outlining the legal entitlements of young people who live in residential care the book provides many useful suggestions about how staff and managers can increase young people's participation Children's Rights and Participation in Residential Care will prove invaluable to all those practitioners managers and students who want to help create residential homes which respect and value the rights of young people
