Seducers In Ecuador And The Heir:

Seducers in Ecuador and The Heir Vita Sackville-West, 2011-12-16 He found himself in such a position that he no longer dared to remove his spectacles at all he could not face a return to the daylight mood realism was no longer for him First published in 1924 and 1922 respectively these exquisitely written novellas confirm Vita Sackville West's gifts as both stylist and observer of her very particular world *Seducers in Ecuador* an amusing and ironic tale of the nature of truth and fantasy is the story of Arthur Lomax every bit the English gentleman in his white ducks and solar topee enjoying the pleasures of an Egyptian cruise But with the addition of a pair of blue spectacles to the outfit Lomax's entire world changes to alarming deadly effect *Peregrine Chase* the subject of *The Heir* is on first acquaintance a less colourful figure the manager of a Wolverhampton insurance company But when he inherits a moated Tudor house called Blackboys his resistance to change dissolves in the face of its beauty Under the spell of house and garden *Peregrine's* life and heart are transformed

Seducers in Ecuador Victoria Sackville-West, 1987 *Seducers in Ecuador* an ironic tale of the nature of truth fantasy is the story of Arthur Lomax the English gentleman whose entire world is about to change with alarming deadly effect *The Heir* tells of *Peregrine Chase* who inherits a moated Tudor house and whose resistance to change dissolves in the face of its beauty

Desiring Women Karyn Z. Sproles, 2006-01-01 On 23 September 1925 Virginia Woolf wrote to Vita Sackville West if you'll make me up I'll make you In *Desiring Women* Karyn Sproles argues that the two writers in fact made each other Woolf and Sackville West produced some of the most vibrant and acclaimed work of their respective careers during their passionate affair and Sproles demonstrates how this body of work was a collaborative project a partnership in which they promised to reinvent one another Sproles argues that in all they wrote during their affair essays criticism novels poems biographies and personal letters Woolf and Sackville West struggled to represent their desire for one another and to resist the social pressures that would deny their passion At the centre of this literary conversation is Orlando Woolf's biography of Sackville West Sproles restores Orlando to the context of Woolf and Sackville West's discussion of gender and sexuality and demonstrates its importance in Woolf's oeuvre Sexy and provocative *Desiring Women* reimagines Woolf and Sackville West as daring funny beautiful and bent on resisting the repression of women's desires **(Sem)Erotics** Elizabeth Meese, 1992-07 What is at stake in the production of experimental texts by lesbian writers what motivates these writers and characterizes their work In this work Elizabeth Meese examines the ways in which the experiences of the text and the experiences of character diverge and converge with the writer's own biography Modernism and the Aristocracy Adam Parkes, 2023 The early twentieth century saw a radical redrawing of Britain's social and political map as its hereditary aristocracy was pushed from the centre to the margins of the nation's affairs This book traces the literary consequences of the modernist preoccupation with

aristocracy that this social change inspired **Feminisms** Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism

British Aristocracy and the Modern World Professor Miles Taylor, Christopher Ridgway, 2025-07-02 In the thirty five years since the publication of David Cannadine's *Decline and Fall of the British Aristocracy* 1990 the power of Britain's landed elite declined but they remain far from extinct One third of Britain's land still belongs to the aristocracy Moreover partly inspired by Cannadine's book we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long Many key questions remain How much was this a distinctively British story to what extent were things different in Scotland Wales and Ireland Does decline and fall accurately describe what happened to landed elites in other countries particularly in western Europe or amongst assimilated elites such as Jews Was the soft power of the aristocracy their role in the arts philanthropy and higher education as significant as their political and economic sway How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place and how did their role overseas change their profile at home This volume brings together a wide ranging group of scholars to explore *The Decline and Fall* developing its themes in new ways and investigating other aspects for the first time
