Seeds Of Greatness Sown In The Heartland:

Seeds of Greatness Sown in the Heartland Peter H. Zindler, 2005-11-20 Whatever your circumstances are wherever you find yourself in this life don't ever think that your Father in heaven has shortchanged you. You have been created in His image and He has thoughtfully and purposely deposited in your heart the talents for true greatness in this life and the life to come. Decide today that this day you will do something out of pure kindness for someone else without seeking any reward. Seeds of Greatness will open the door of our heart to the gifts and abilities that God planted when He formed you in your mother's womb. It will further define what greatness truly is and it isn't spiking a football in the end zone and then signing the goal post with a marker. Author Peter Zindler offers heartwarming examples of the greatness of God in an ordinary man's life: a man who has dared to go against the world's opinion and will follow God wherever He leads him. As you read *Seeds of Greatness* you'll step into a corridor of truth that promises to take you to a new level. **Self-Publishing and Marketing**

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilisatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that

broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story **Writing Appalachia** Katherine
