## **Seeds Of Love For Brothers And Sisters Of International Adoption:**

**Seeds of Love** Mary E. Petertyl,1997-05 Carly works through feelings of anticipation and fear when her parents travel to another country without her to adopt her baby sister      **Welcoming a New Brother or Sister Through Adoption** Arleta James,2013-03-28 Welcoming a New Brother or Sister through Adoption is a comprehensive yet accessible guide that describes the adoption process and the impact of adoption on every member of the family including the adopted child The book is peppered with real life stories and direct quotes from children which make it a realistic and insightful resource

**Brothers and Sisters in Adoption** Arleta James,2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive      Jacqueline Golding,2006-01-01 With over 500 hand picked titles Healing Stories recommends carefully selected books essential for any adult looking to help children cope with their growing pains through reading Featuring the long established children s classics and the most recent library sensations these hand picked stories address kids struggles from the everyday to life changing while offering adults the information they need to make the right choices for their kids Also includes useful tips to make reading fun and helpful for both adults and children      **The Infertility Answer Book, 2E** Brette McWhorter McWhorter Sember,2005-10-01 Your guide to building a family through adoption      **The Dance of Identities** John D. Palmer,2010-10-04 Korean adoptees have a difficult time relating to any of the racial identity models because they are people of color who often grew up in white homes and communities Biracial and nonadopted people of color typically have at least one parent whom they can racially identify with which may also allow them access to certain racialized groups When Korean adoptees attempt to immerse into the Korean community they feel uncomfortable and unwelcome because they are unfamiliar with Korean customs and language The Dance of Identities looks at how Korean adoptees dance or engage with

their various identities white Korean Korean adoptee and those in between and beyond and begin the journey toward self discovery and empowerment Throughout the author draws closely on his own experiences and those of thirty eight other Korean adoptees mainly from the U S Chapters are organized according to major themes that emerged from interviews with adoptees Wanting to be like White examines assimilation into a White middle class identity during childhood Although their White identity may be challenged at times for the most part adoptees feel accepted as honorary Whites among their families and friends Opening Pandora s Box discusses the shattering of adoptees early views on race and racism and the problems of being raised colorblind in a race conscious society Engaging and Reflecting is filled with adoptee voices as they discover their racial and transracial identities as young adults During this stage many engage in activities that they believe make more culturally Korean such as joining Korean churches and Korean student associations in college Questioning What I Have Done delves into the issues that arise when Korean adoptees explore their multiple identities and the possible effects on relationships with parents and spouses In Empowering Identities the author explores how adoptees are able to take control of their racial and transracial identities by reaching out to parents prospective parents and adoption agencies and by educating Korean and Korean Americans about their lives The final chapter Linking the Dance of Identities Theory to Life Experiences reiterates for adoptees parents adoption agencies and social justice activists and educators the need for identity journeys and the empowered identities that can result The Dance of Identities is an honest look at the complex nature of race and how we can begin to address race and racism from a fresh perspective It will be well received by not only members of the Korean adoption community and transracial parents but also Asian American scholars educators and social workers
