Congress,1862 The Complete Poetry of Robert Herrick Tom Cain,Ruth Connolly,2013-11-21 Robert Herrick has long been one of the best loved of English lyric poets Known through the centuries as the author of Gather ye rosebuds he also wrote as this new edition shows hundreds of songs epigrams and longer poems equally worthy of attention Volume I of this new edition of Herrick s work contains Hesperides Herrick s only published collection As well as the commentary on Hesperides volume II contains the fifty nine surviving manuscript poems which can be firmly attributed to Herrick and on which his reputation was based before 1648 It is an ambitious and original attempt to recover for the first time the history of Herrick s corpus of manuscript poetry and to identify how his poems circulated and who his copyists and readers were By establishing the type of sources to which they had access and the nature and quality of the poems these sources contained and through the histories of transmission that accompany every poem this volume offers a significant body of evidence that deepens our critical understanding not only of Herrick s poetry but of the mechanics of scribal publication and the culture of reading writing and performing poetry and music in early modern England Where as is often the case a musical setting survives this is also printed along with a commentary on the setting in a form which is designed to encourage the performance of the lyrics **Commonweal** ,1950 Supreme Court , *Liguorian* ,1951 **Solon, Or, The Rebellion of '61** Delphine,1862
