The Essential College Professor Jeffrey L. Buller, 2009-12-21 The Essential College Professor is about the how and why of being a faculty member today Based on the author s series of highly successful faculty development workshops each chapter deals concisely with the most important information college professors need at their fingertips when confronted by a particular challenge or faced with an exciting opportunity Written both as a comprehensive guide to an academic career and as a ready reference to be consulted whenever needed The Essential College Professor emphasizes proven solutions over untested theories and stresses what faculty members have to know now in order to be successful in their careers Each chapter is concluded by a short exercise that faculty members can perform to help them for instance completely revise a course by restructuring the syllabus and course materials bring new life to a research project by reframing it as a book proposal or grant application and so on Being You: How to Live Authentically Doyle Doyle, 2012-01-09 Being You is about reaching your highest potential through authentic living It helps you to exercise your own choices and feel and act with confidence and effectiveness in every situation to be free of fear and doubt to have a life filled with meaning success and well being This is the freedom to live according to your unique needs personality purpose and values to be accepted

unconditionally for who and what you are to feel all life's pain as well as its joys to live from the heart trusting your inner nature and your experience of the world and to accept responsibility for all your actions The philosophy of Adaptive Freedom outlined in the book shows that the ability to adapt and grow is the essence of personal freedom which is the core of authenticity You need to be adaptive to be free and both make it easier to become truly authentic The power to change and realize the life of your highest imaginings lies in the Freedom Code a set of seven practice pillars offering a liberation path to self fulfillment a code to unlock the greatness that lies within The seven pillars create new ways to guide you through knowledge to self awareness and purposeful action They offer a systematic and holistic framework to help you lead a meaningful successful happy and authentic life **The New Leadership Challenge** Abby Garlock, Nicole

Waters, 2025-02-15 How does leadership contribute to professional and personal success improve patient care and affect the future of nursing and health care An easy to read interactive approach helps you to identify the characteristics of leaders and followers and illustrates not only how but also when to use the qualities associated with each to achieve professional and personal success Explore new ways to conceptualize leadership and develop the skills to advance change and meet the challenges of today's rapidly evolving healthcare landscape throughout your career **Founders, Keepers** Richard

Hagberg, Tien Tzuo, 2025-06-17 Based on decades of empirical research and data **Founders Keepers** gives founders a practical roadmap for navigating the inevitable challenges that come with startup growth It's a brutal paradox the same founder attributes required to put a startup in motion will invariably blow it up The difference between success and failure lies in the personal journey that every founder must pursue to avoid their own worst impulses Steeped in nearly forty years of research in leadership psychology **Founders Keepers** begins with the same personality assessment Rich Hagberg a psychologist and executive management coach gives his clients Hagberg and Tien Tzuo founder and CEO of Zuora help founders build a Swiss Army knife of practical tools that will give them a much better chance of making it to the next level of success A guide for founders investors and academics alike the result of a decade long collaboration between a successful CEO and Silicon Valley's CEO Whisperer offers readers insights into The differentiators between successful and unsuccessful founders The three pillars of leadership that every founder needs to be successful The essential skills founders need to master to be successful over the long haul An examination of the common personality traits that lead founders to make fatally flawed decisions What makes founders tick including the default tendencies and leadership styles that often undermine their success How founders frustrate their investors partners and employees Founders may not be able to account for all the complexities of their companies but they can account for themselves It's a difficult but unavoidable truth to grow your startup you have to grow as a person And that's where **Founders Keepers** comes in **The Earned Life** Marshall
