

Do not resist the darkness,
Do not chase the light,

Do not be afraid to step into the dark,
Do not be attached to the sunshine
bright,

A star cannot exist without the dark,
A day cannot exist without the night.

So, choose to be open to receive,
Whatever arrives, without escaping or
fight.

Let yourself be drowned into the moment,
Whether it contains darkness or light.

The Poetry of James Wright Andrew Elkins, 1991 In *The Poetry of James Wright* the author traces Wright's formal evolution and concentrates on his consistent themes the artist's role in society the artist's search for poetic and personal identities the power of poetry as fortification against the onslaughts of time and the definition of a good and humane action Charting the poet's evolution from his first book *The Green Wall* to the last collections *This Journey* Elkins discusses one major book in each chapter explicating the more important poems in detail and explaining how each volume is part of a progression from youthful imitator to mature innovator Wright's individual struggle taking place as it did in the last half of the 20th century in America dramatizes the central problems of the creative individual in a late industrial society who is trying to turn a life into art Wright worked in the great tradition of the adamant individualists in our literary heritage and like all of his formidable ancestors he refused to trust the socialized self he found attached to his soul refused to be diminished or circumscribed by any society's definition of himself The effect of reading and studying his complete work is the recognition that Wright is a major 20th century American poet whose apparent simplicity and occasional sentimentality can obscure the complexity and maturity of his courageous confrontation with the problems of living and writhing in contemporary America
