Seeking the Lord T. Crank, David Crank, 1995-05-01      **The Keys to Success** Christopher Williams, 2012-10 There s no doubt most people yearn to be successful What s stopping them They don t know how In *The Keys to Success* author Christopher Williams outlines the principles that must be applied to achieve success in life Using biblical references Williams shows how success correlates with faith and taking action and he demonstrates that success principles are no secret and common and easy to apply *The Keys to Success* gives examples of practices that can be implemented to improve your life It discusses how to set goals combat fears put God first have faith avoid procrastination be open minded think outside the box think like a winner have the right attitude maintain focus be consistent make good decisions give back This guide shows that success is yours for the asking Remind yourself each day that it is your dream and your goal Seize the moment in your life Choose today to start your journey of success      *Good Morning Message* Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you      **Finding God's Will** Mark Hyskell, 2019-10-11 Have you wondered what your real purpose in life is Does it seem like you are simply going through the motions of a daily routine to fulfill your responsibilities like a mouse running on its exercise wheel Same empty thing different day Has your discouragement made you wonder if it is even possible to really know your life purpose and God s design and plan for your life You are not alone Your pain and frustration have been shared by many including me I want to assure you that there is hope and there are answers You may have been told that many times but your painful experiences have convinced you to stop believing it In my search for answers I learned that in order to be truly fulfilled in this life I need to know the One who designed me the purpose for which He designed me and how to find and follow His direction to fulfill that purpose That is the only path to
