Seeking Spiritual Growth Through the Bible Wilfrid J. Harrington, 2002 In looking to the Bible's witness this book offers readers a spirituality that is understood as faith lived in love and sustained by hope Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit

seriously of addictions to television the Internet or to acquiring material possessions. These are usually self involved occupations It's as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author's growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safely and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry's words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve Mother's Soulful Retreat: Embracing Serenity and Rediscovering Your Spirit Pasquale De Marco, 2025-08-09 A Mother's Soulful Retreat Embracing Serenity and Rediscovering Your Spirit is a sanctuary for mothers a place where they can reconnect with their inner selves rediscover their purpose and embrace the transformative power of motherhood This comprehensive guide offers wisdom inspiration and practical strategies to help mothers navigate the complexities of their roles and responsibilities Through thought provoking insights and real life examples Pasquale De Marco explores the challenges and rewards of motherhood providing guidance and support for every stage of the journey Whether you are a first time mother seeking to find your footing or an experienced parent looking to rediscover your passion A Mother's Soulful Retreat Embracing Serenity and Rediscovering Your Spirit has something to offer With a focus on self care emotional well being and spiritual growth this book empowers mothers to embrace their unique strengths and find fulfillment in all aspects of their lives Through its pages mothers will learn to Prioritize their own well being and set boundaries Cultivate a strong sense of self worth and resilience Find joy and purpose in the midst of chaos Build a supportive community and connect with other mothers Raise children with love wisdom and intention Embrace the transformative power of motherhood and leave a lasting legacy A Mother's Soulful Retreat Embracing Serenity and Rediscovering Your Spirit is more than just a book it's a lifeline for mothers seeking to thrive in their roles and live a life filled with meaning and purpose With its heartfelt insights
