Carpenter, James Farley/Booz Allen Hamilton, 2012. This authoritative comprehensive and accessible volume by leading global experts provides a broad overview of marketing strategy issues and questions, including its evolution, competitor analysis, customer management, resource allocation, dynamics, branding, advertising, multichannel management, digital marketing, and financial aspects of marketing. The Handbook comprises seven broad topics. Part I focuses on the conceptual and organizational aspects of marketing strategy, while Part II deals with understanding competition. Customers and customer-based strategy, marketing strategy decisions, and branding and brand strategies are covered in the next three parts, while Part VI looks at marketing strategy dynamics. The final part discusses the impact of marketing strategy on performance variables such as sales, market share, shareholder value, and stakeholder value. All of the chapters in this Handbook offer in-depth analyses of research developments, provide frameworks for analyzing key issues, and highlight important unresolved problems in marketing strategy. Collectively, they provide a deep understanding of and key insights into the foundations, antecedents, and consequences of marketing strategy. This compendium is an essential resource guide for researchers, doctoral students, practitioners, and consultants in the field of marketing strategy. Frameworks for Market Strategy Noel Capon, Frank Go, 2016-12-08. Frameworks for Market Strategy helps students understand how to develop and implement a market strategy and how to manage the marketing process. Marketing activity is the source of insight on the market, customers, and competitors and lies at the core of leading and managing a business. To understand how marketing fits into the broader challenge of managing a business, Capon and Go address marketing management both at the business and functional levels. The book moves beyond merely presenting established procedures, processes, and practices and includes new material based on cutting-edge research to ensure students develop strong critical thinking and problem-solving skills for success. In this European edition, Capon and Go have retained the strong framework of the book but have updated the cases, examples, and discussions to increase the book's relevance for students outside the USA. Key features include: A strong strategic focus teaching students how to analyze markets, customers, and competitors to plan, execute, and evaluate a winning market strategy. Practical examples from a range of contexts allowing students to develop the skills necessary to work in for-profit, public, or non-profit firms. Emphasis on understanding the importance of working across organizational boundaries to align firm capabilities. Full chapters devoted to key topics including brand management, digital marketing, marketing metrics.
