This was a chapter in a book written by Emilio Aguinaldo, who was one of the important roles in the Philippine Revolution itself, just republished on the internet. This e-Book provided a lot of information about Aguinaldo's personal opinion on the Spanish, the Revolution starting in 1896, and provided me with some primary quotes as well. I used this chapter's information throughout my Revolution pages. This was an excellent source.

This was another chapter of the book mentioned above, which was republished online. Again, I got a lot of first-hand information/accounts from this e-Book. I got to see how Aguinaldo felt about the Biak-na-bato treaty in this chapter, and a little information about the pact itself. I used the information from here in my Aftermath page, under the 'The Pact of Biak-Na-Bato' heading. This was a really useful source.

This was also another chapter in the book mentioned earlier. This chapter helped me understand how Emilio Aguinaldo felt about proclaiming independence from the Spanish Colonial Government. Though I didn't use much of the information from this chapter on my website, this was still a good source. It was a book written by a prominent person at the time of the revolution.
