Selected Addresses 19201930:

American Literature in Transition, 1920-1930 Ichiro Takayoshi, 2017-12-28 American Literature in Transition 1920 1930 examines the dynamic interactions between social and literary fields during the so called Jazz Age It situates the era s place in the incremental evolution of American literature throughout the twentieth century Essays from preeminent critics and historians analyze many overlapping aspects of American letters in the 1920s and re evaluate an astonishingly diverse group of authors Expansive in scope and daring in its mixture of eclectic methods this book extends the most exciting advances made in the last several decades in the fields of modernist studies ethnic literatures African American literature gender studies transnational studies and the history of the book It examines how the world of literature intersected with other arts such as cinema jazz and theater and explores the print culture in transition with a focus on new publishing houses trends in advertising readership and obscenity laws

Greenwich Village, 1920-1930 Caroline Farrar Ware, 1994-01-01 Greenwich Village represents American social science during the interwar years at its best It remains the best community study of New York important both for its innovative method and for its substantive findings about intergroup relations in a pluralistic open and urban society during a period of crisis and reform ferment Thomas Bender New York University

African American Literature in Transition, 1920-1930: Volume 9 Miriam Thaggert, Rachel Farebrother, 2022-04-07 This book analyses historical literary and cultural shifts in African American literature from the 1920s 1930s

Rise of Sinclair Lewis, 1920-1930 James M. Hutchisson, 2010-11-01 The Rise of Sinclair Lewis examines the making of Lewis s best selling novels Main Street Babbitt Arrowsmith and Elmer Gantry their sources composition publication and subsequent critical reception Drawing on thousands of pages of material from Lewis s notes outlines and drafts most of it never before published James M Hutchisson shows how Lewis selected usable materials and shaped them through his unique vision into novels that reached and remained part of the American literary imagination Hutchisson also describes for the first time how large a role was played by Lewis s wives assistants and publishers in determining the final shape of his books

Publication ... de l'Association internationale d'hydrologie scientifique , 1958 Contains proceedings of symposia held by the Association

The Qualified Student Harold S. Wechsler, 2017-09-29 In The Qualified Student Harold S Wechsler focuses on methods of student selection used by institutions of higher education in the United States More specifically he discusses the way that college and university reformers employed those methods to introduce higher education into a broader cross section of America by extending access to an increased number of students from nontraditional backgrounds Implicit in much of this book is an underlying social and ethical question How legitimate was and is higher education s regulation of social mobility Public concern over colleges and universities practices became inevitable once they became regulators between social classes The challenging of colleges admissions policies in the courts augments similar concerns that have been present in legislatures for decades The volume is divided into three main sections Prerequisites Columbia and the Selective Function

and Implications It focuses mainly on four universities The University of Michigan Columbia University the University of Chicago and the City University of New York Wechsler maintains that unlike other universities these institutions were pacesetters they did not adopt a new policy simply because some other college had already adopted it A new introduction brings the book originally published in 1977 up to date and demonstrates its continuing importance in today's academic world of selective admissions *Selected Contemporary Work Force Reports* James M. Weber,1994-05 Compares recommendations about work force preparation and performance standards measures of four major government reports Contrasts the approaches in these reports with TQM and makes recommendations for a unified national policy on the education and training of the work force **Assemblée Générale** International Association of Scientific Hydrology,1958
