

Suzanne Takes You Down

Suzanne takes you down
to her place near the river,
you can hear the boats go by
you can stay the night beside her.
And you know that she's half crazy
but that's why you want to be there
and she feeds you tea and oranges
that come all the way from China.
Just when you mean to tell her
that you have no gifts to give her,
she gets you on her wave-length
and she lets the river answer
that you've always been her lover.

And you want to travel with her,
you want to travel blind
and you know that she can trust you
because you've touched her perfect body
with your mind.

Jesus was a sailor
when he walked upon the water
and he spent a long time watching
from a lonely wooden tower
and when he knew for certain
only drowning men could see him
he said All men will be sailors then
until the sea shall free them,
but he himself was broken
long before the sky would open,
forsaken, almost human,
he sank beneath your wisdom like a stone.

And you want to travel with him,
you want to travel blind
and you think maybe you'll trust him
because he touched your perfect body
with his mind.

Suzanne takes your hand,
and she leads you to the river,
she is wearing rags and feathers
from Salvation Army counters.
The sun pours down like honey
on our lady of the harbor
as she shows you where to look
among the garbage and the flowers,
there are heroes in the seaweed
there are children in the morning,
they are leaning out for love
they will lean that way forever
while Suzanne she holds the mirror.

And you want to travel with her
and you want to travel blind
and you're sure that she can find you
because she's touched her perfect body
with her mind.

in an edition newly offset from the authoritative Complete Poems 1904 1962 edited by George James Firmage E E Cummings along with Pound Eliot and Williams helped bring about the twentieth century revolution in literary expression He is recognized as the author of some of the most beautiful lyric poems written in the English language and also as one of the most inventive American poets of his time Fresh and candid by turns earthy tender defiant and romantic Cummings s poems celebrate the uniqueness of each individual the need to protest the dehumanizing force of organizations and the exuberant power of love No Thanks was first published in 1935 although Cummings was by then in mid career he had still not achieved recognition and the title refers ironically to publishers rejections No Thanks contains some of Cummings s most daring literary experiments and it represents most fully his view of life romantic individualism The poems celebrate an openly felt response to the beauties of the natural world and they give first place to love especially sexual love in all its manifestations The volume includes such favorites as sonnet entitled how to run the world may I feel said he Jehovah buried Satan dead be of love a little and the now famous grasshopper poem *Poetry Styles Book Four Alliance Poets World-Wide*,2012-09-15 This is the fourth book in a most lovely style teaching of poetry forms collection covering more of the great many varying created styles that are both old and new therefore making this another volume in this great poetry lovers series that is a truly wonderful read and most interesting to learn from **The Pythagorean Golden Verses** Johan C.
